I. **AWARDS:** List high school awards, academic achievements, and extracurricular activities.

II. **COURSE WORK:**

A. List all Advanced Placement courses with grades and AP scores if known.

B. List any dual enrollment courses and grades taken while in high school.

III. PERSONAL STATEMENT: Compose a one-page essay to describe 1) why you are selecting chemistry as a major at UTC, 2) what aspect of high school chemistry you most enjoyed, and 3) what your career goals are. **This essay may be the deciding factor between otherwise equal applicants, so prepare accordingly.**

Signature: _____ Date _____

By typing your name on the above line, you are indicating that the information in this application is correct to the best of your knowledge.

*****Must be Postmarked by February 15, 2010*****

UTC CHEMISTRY MAJOR CODES

You must select one of the majors below to be considered for the Grote Chemistry Scholarship. You can read more about the chemistry majors at:

<http://www.utc.edu/Chemistry/Students/dgrpgms/programs.php>

Please understand that we realize students may decide to change their major while at UTC. If you receive the Grote Chemistry Scholarship, you may only change your major within these nine codes and still maintain the scholarship. If you choose to switch to a different department, you will need to relinquish the scholarship.

If you would like to speak to an advisor before submitting your application, please call or email Dr. Potts at 423-425-5296 or gretchen-potts@utc.edu.
