

**M.S. DEGREE ENVIRONMENTAL SCIENCES
SUPPLEMENTAL APPLICATION FORM**

All applicants to UTC's master's program in Environmental Sciences should complete this form. In addition to the information and documents requested in this form, applicants must also submit (1) a UTC Graduate Division application, (2) transcripts of all previous undergraduate and graduate course work, and (3) official scores from the GRE General test.

Name: _____ Date: _____

UTC ID (3 letters, 3 numbers): _____

Required or recommended Course Work

Please indicate which of the courses on your transcript(s) satisfies each of the following required or recommended courses. Note: Lack of these courses does not preclude consideration of your application. If you are accepted, you may need to take these courses before starting graduate course work.

- Environmental Science 150, 151 (Introduction to Environmental Problems) _____
or an undergraduate or graduate course in ecology
- Four semester laboratory courses at the 300-400 level _____
- Mathematics 136 or 150 (Calculus) _____
- Computer Science _____
- Statistics _____
- Environmental ethics _____

What is your home state or country? _____

Do you intend to pursue the M.S. Environmental Sciences degree FULL-TIME or PART-TIME? _____

Self-reported quantitative information:

Please provide the following information as far as you know when you complete this form. While this information must also be officially received and verified, it helps the application process to have this information on hand as soon as possible. If you do not have your GRE scores, please indicate when you took the exam, or when you plan to take it.

Current overall GPA: _____ GRE Scores: V_____/Q_____/A_____ (Took/Plan to take ___/___)

The overall GPA from all undergraduate coursework is typically used in determining the admission of an applicant. If you think that another GPA value is a better reflection of your academic achievement, please indicate what that GPA is and give a brief rationale. You may expand on this rationale in your personal statement.

GPA in major: _____ GPA in last 60 hours: _____ Other GPA: _____

Rationale:

Recommendations

Choose three persons familiar with your academic skills and qualifications and have them fill out the enclosed recommendation form. Please instruct the people providing your recommendations to return the forms directly to the Graduate Studies Office to the address on the form.

Dossier

Please attach a dossier that includes the following: (1) a resume, (2) prior publications or sample research paper, and (3) a written account of prior educational and professional experience in environmental science, including laboratory competencies, career goals and reasons for pursuing graduate study.
