

## Admission Criteria

The following information guides admission decisions:

1. A **formula score** based on the overall undergraduate GPA, GRE Verbal, Quantitative, and Analytic scores.
2. **Three reference letters.** We would like to have at least one letter from someone from whom you have taken a college level course.
3. A **personal statement** of your interests in I-O as a career and the UTC program.

## Mission

*To provide a comprehensive master's level education in both the science and practice of industrial-organizational psychology*

UTC I-O students participate in Tennessee River Cleanup project

## Balance is the Key

An MS in I-O at UTC provides a balance between theory, research and practice that prepares our graduates to identify the sources of organizational issues and address them appropriately.

## Thesis Optional

Those who wish to write a thesis may, but a thesis is not required.

All psychology faculty are eligible to serve as thesis advisors.

## Internship Opportunities

Internship opportunities are available in Chattanooga and in neighboring cities. You may take an internship wherever you wish. All students are required to gain practical experience in the form of internships during their time in the program.
