

UTC BAND

Game Day Procedure and Schedule

1. All must be in black marching shoes! If you ordered shoes and they have not yet arrived then any pair of black shoes will suffice. Do not go out and spend a lot of money obtaining shoes, but you must be wearing black for pregame and half time. If you need to wear dress shoes then do so and change out of them for the stands. Only those Mocs whose shoes have not yet been delivered are excused from the requirement.
2. All Mocs must wear their gold shirt under their uniform. Uniform Jackets will remain on unless every member is wearing the UTC issued gold shirt.
3. Parking: Only 20 Parking Permits will be given out this year. You will only get a permit if you are a staff member or are willing to carpool at least two other people. Otherwise you will either pay to park at the event, park on the street near the event (as most of us do) or ride the bus (which will pick up and drop off band members behind the fine arts center). The bus will load at 5:10 and leave at exactly 5:15.
4. Warm up is at the Pavilion at exactly 5:50 PM. Do not be late (maps of the location will be handed out on Friday by Dr. Schafer. Pavilion parade is at 6:15. You will be playing the Fight Song, Railroad, Choo-Choo, Cupid Shuffle (with Dance) then Fight Song.
5. We will go from the Pavilion onto the field to wait for Pregame. We may or may not go into the stands before the pregame event.
6. We will sit in tight formation in the stands. Dr. Benkert will be running the stands.
7. After the game you are on your own to drive home. For those who rode the bus, you will be picked up at the stadium where you were dropped off and bring you back to UTC.
