Biology* Please refer to the Undergraduate Catalog for Biology courses that are required for the Bachelor's Degree in Biology. All Biology courses with an asterisk must be taken at the 300-level or 400-level to meet the upper level 40 credit hour requirement for graduation. Make an appointment with a faculty member in the Biological and Environmental Sciences Department for assistance in choosing courses. **Red** = PT required courses; **Yellow** = not required for PT school, but nice to have.
