

Reasons why Mocs should go to class

1. You paid for it, get the most out of your money.
2. You get to meet and interact with new and interesting people.
3. It is the only way to get up-to-date and accurate information on class topics.
4. Participation points.
5. Your experiences may help you decide on a major area of study.
6. You will always learn something new every class you attend.
7. You can build connections for the future: good relationships with professors = references = job after graduation.
8. Someone with the FAST program will contact you if you don't.
9. 'Cause you have nothing else better to do!
