

The University of Tennessee at Chattanooga Office of Alumni Affairs provides services and benefits to the over 45,000 living alumni of UTC and the University of Chattanooga. The office is responsible for the initiation, promotion, execution and evaluation of a variety of projects which enlist and expand the number of active and contributing alumni at the University.

Programs fall into two categories: those which serve the alumni and those which serve the institution. Types of activities serving the needs of the alumni include reunions, community service opportunities, special trips, athletic tailgates, affinity benefits, publications and access to various UTC facilities. Alumni in return contribute time, talent and financial resources to the institution, lobby on its behalf, help students obtain career experience and aid in new student recruitment.

The University of Tennessee at Chattanooga Alumni Board connects the University with students, alumni and communities. By building and nurturing networks and relationships, the board promotes communication, partnerships and outreach between the University and these constituencies. They enhance the heritage of the University as a strong learning environment and celebrate its diversity and metropolitan mission.

The board, through its volunteer and financial support, advocates for scholarship and personal development that advances the University experience.

Your participation in the UTC Homecoming Golf Tournament helps provide funding to the UTC Alumni Office and Board of Directors for programs and scholarships.

Thank you for playing in this year's tournament.
