

MEMORANDUM

TO: Mr. Bob Lyon, Vice Chancellor University Advancement

FROM: Roger G. Brown, Chancellor 

DATE: July 6, 2010

RE: 2010-11 Student Tuition and Fees Allocation Award

Bob, thank you for your management, leadership, and excellent stewardship of the financial and operational resources within the Division of Academic Affairs for the 2009-10 fiscal year. While the economic and financial waters were indeed turbulent for institutions of higher education within the State of Tennessee, working collaboratively our executive team and campus shared governance leaders, we have “weathered this storm” to emerge a leaner, but better university as we position ourselves to deliver the highest quality of educational offerings and opportunities for the students we serve.

I am pleased to inform you that, based upon the recommendation of campus Chief Business Officer Dr. Richard Brown, working in strong collegial consultation with my office and your colleagues on the executive team, the following **recurring/permanent base budget funding** is hereby awarded for distribution within your appropriate units for the **2010-11 fiscal year**:

	Amount	Strategic Plan Metric
University Advancement:		
Additional Advancement Personnel (Includes Benefits)	150,000 <i>(25,000 2009-10 previous hire)</i>	4
Alumni Magazine Permanent Funding	50,000	4
Operating Budgets Permanent Funding (Travel, Equipment)	25,000	4

Total University Advancement	\$225,000
------------------------------	-----------

To ensure accountability goals and strategic planning metrics are achieved by this award, I respectfully request that you present a summary report to UPRAC this Fall of the designated use, impact, and "financial rebalancing" effect these funds have made towards enabling your units to meet the core mission of our institution. You may contact Mr. Danny Grant, Director of University Budget, to determine appropriate accounts to place your new revenues and finalize the allocation transactions.

On behalf of our institutional planning team, congratulations and thanks for what you and your colleagues do every day to achieve excellence, quality, and mission delivery.
