

A vibrant, high-angle photograph of a tall glass filled with bright orange juice. The glass sits on a white plate. In the foreground, there are several lemons: one whole, one sliced into a half, and another partially visible. The background is a light-colored surface with a pattern of green and blue circles. Overlaid on the image are dark blue, stylized, swirling decorative elements. A stylized bird logo, resembling a hawk or eagle, is positioned in the lower-left quadrant. The text "You're Invited" is centered over the glass in a bold, dark blue font.
