***RE: Scholarship Committee Report***

Dr. Darken,

Due to a loss of a key scholarship, the role of the Scholarship Committee was greatly reduced this year. In short, we did not physically meet during the 2005-2006 academic year. The one duty that we performed was to examine for approval/disapproval a list of candidates the University Honors Program wished to award scholarships. We voted on and ultimately approved this list via email.

The following were members of this committee:

Linda Collins (BIOL), Nancy Fell (PT), Ron Goulet (ENGR), George Helton (GRAD), Terry Le Moyne (SOCl), Gretchen Potts (CHEM), Barbara Ray (TPA), Manuel Santiago (CHEM), Cathie Smith (PT), and Ronald Smith (MATH).

I realize this is a brief report, but it accurately summarizes the duties we performed. Please contact me with questions.

Regards,

Sean
