Re: Faculty Development Committee Report 2007-08

The Faculty Development Committee has met three times so far this academic year and will meet at least once more before the summer break. We have reviewed 51 proposals with requests totaling \$60,515.40, and have funded 41 of those for a total of \$34,411.00.

We will meet again following the April 15 round of proposals to complete two pieces of business: determining funding awards for that round and brainstorming potential ways to streamline the funding process for all faculty committees funded by the UC Foundation.

I am grateful to the following members for their service this year: Karen Adsit, Hinsdale Bernard, Virginia Cairns, Kay Cowan, Helen Eigenberg, Elizabeth Gailey, Kristi Gibbs, Greg Grant, Nick Honerkamp, Tracy Jones, Deborah McAllister, Leila Pratt, Barbara Ray, Valerie Rutledge, Beverly Simmons, Jack Thompson, and Lucas vanderMerwe.
