## Memorandum

To: Gavin Townsend, President  
Faculty Senate

From: Doug Kutz, Chair  
Scholarships Committee

Re: Annual Report, 2007-08

Date: March 27, 2008

To date, the Scholarships Committee has addressed two requests this year.

1. In August, 2007, we received an appeal from a student who was informed that his football scholarship would not be renewed. We meet with representatives of the Athletic Program, and later with the student and his parents. Our decision was to restore the scholarship at 50%. Upon subsequent appeal to the Chancellor by both sides, he ruled that the scholarship would not be renewed.

2. In February, 2008, we received a recommendation from the University Honors Program regarding its scholarship offers for 2008-09. After careful deliberation we approved their recommendation unanimously.
