Information Item: Update of Catalog Text to reflect new History courses

The Department of History requests permission to update its catalog to reflect the addition of two new courses, Southern African History (HIST 3530) and Africa in the Atlantic World (HIST 3560), to the curriculum.

A. Description of change: This change would add these two courses to the list of courses which satisfy the History Department's requirements in non-Western history for majors and minors.

B. Rationale for change: All of the department's topical 3000-level classes are assigned to one of three categories, American, European, and non-Western; students need to take at least one course in each category in order to satisfy the breadth requirement for the major or minor. This change would position the two new classes in their appropriate category and allow students to receive breadth credit for taking them.

C. Original text to be modified:

"Major Requirements... At least one course (three hours) will be taken from each of the following categories of study:

<snip>

"III. Non-Western History: 364, 365, 367, 368, 370, 371, 372, 375, 376"

"A minor in history consists of 18 hours in history including either 104 and 105 or 203 and 204 and at least three hours in each of the following areas at the 300 level or above:

<snip>

"III. Non-Western History: 364, 365, 367, 368, 370, 371, 372, 375, 376" (Source: UTC Catalog 2009-2010, p. 109)
