Computer Science _____

Statistics _____

Environmental Ethics _____

WHAT IS YOUR HOME STATE OR COUNTRY? _____

STATUS

Do you intend to pursue the MS Environmental Science degree Full Time _____ or Part-time _____?

SELF-REPORTED QUANTITATIVE INFORMATION

Please provide the following information as far as you know it when you complete this form. While this information must also be officially received and verified, it helps the evaluation process to have this information as soon as possible. If you do not yet have your GRE scores, please indicate when you took the exam, or when you plan to take it.

Current Overall GPA: _____ GRE Scores: V _____ Q _____ A _____ (Took/Plan to take _____)

The overall GPA from all undergraduate coursework is typically used in determining the admission of an applicant. If you think that another GPA value is a better reflection of your academic achievement, please indicate what that GPA is and give a brief rationale. You may wish to expand on this rationale in your personal statement.

GPA in major: _____ GPA in last 60 hours: _____ Other GPA: _____

Rationale: _____

RECOMMENDATIONS

Choose three persons familiar with your academic skills and qualifications and have them fill out the enclosed recommendation forms. Contact the Graduate School Office if you need additional forms. Please instruct the people providing your recommendations to return the forms directly to the Graduate School Office. Dept. 5305, 615 McCallie Ave., Chattanooga TN 37403.

DOSSIER

Please attach a dossier which must include the following: (1) a resume, (2) prior publications or sample research paper, and (3) a written account of prior educational and professional experience in environmental science, including laboratory competencies, career goals and reasons for pursuing graduate study.
