Blue Ribbon
Award Nomination Form

Has a UTC employee gone the extra mile to help you? You can show your appreciation by nominating that person for the Blue Ribbon Award. A committee appointed by the Chancellor will select monthly an award winner who exhibits outstanding service to others. **Nominations should be specific in identifying incidents or situations that show how the nominee has served his/her customers with special distinction.**

All non-faculty UTC staff (full or part-time) with at least one year's regular service are eligible for the award. Any UTC faculty, staff, student, alumnus, or member of the community can submit nominations.
