My faculty and staff colleagues are excited about what promises to be a great time in the life of The University of Tennessee at Chattanooga. We consider your investment of time and resources in this institution to be a serious commitment, which we hold in trust. We appreciate having this opportunity to work with you in attaining your personal and educational goals.

Our students' present and future successes, both in the classroom and in the other aspects of their lives, comprise our primary mission. UTC has a wide range of services and programs designed to help each of you. I hope that you will apply your abilities and time to your academic pursuits, while also involving yourselves in the many extracurricular activities offered by the University to both residential and commuter students. As you expend your resources and energy toward fulfilling your many responsibilities, please call on the members of the UTC faculty and staff for information and help as needed. We are concerned about you, and we stand ready to work with you.

I encourage you to make the most of your time at UTC through associations and friendships with fellow students, teachers and advisors, and the University's staff members. In this year of excitement and change, I am confident that you will see your choice of UTC is a wise one.
