

# Want to increase your grade one half to one full letter grade?

Take advantage of the **FREE** *Supplemental Instruction Program* in the Center for Advisement and Student Success.

This program offers weekly out of class review sessions led by SI leaders. During these informal sessions students review notes, discuss readings, develop organization tools, and prepare for examinations.

Spring 2010 Supplemental Instruction is offered for the following classes:

**PSY 101- Sections 001 & 002**  
**MATH 131- Sections 007, 008 & 009**  
**CHEM 121- Sections 006 & 007**
