

March 13-15,
2012

Harrison Racquet
Center on UTC
Campus

60TH CHATTANOOGA REGIONAL SCIENCE & ENGINEERING FAIR

Do you have a neat idea? Talk to your science teacher or your parent and you could turn it into the winning project at this year's Science & Engineering Fair! All you need to do is visit our website, read all the rules, and get your forms turned in.

Students in grades
6-12 are welcome
to enter!

Next thing you know, you could be on a plane to the International Science & Engineering Fair to be held in Pittsburgh, Pennsylvania this year.

So what are you waiting for?? Get started today!
