If a child is not signed out by 5:30 pm, an additional charge of \$5 for any time up to 30 minutes and \$2 per minute thereafter will be charged. Any child left after 4:15 pm not enrolled in afternoon care will be sent to the afternoon care room and be charged \$5 for the day. **This policy will be enforced.**

Swimming classes require that your child bring a bathing suit, towel, and some type of bag for wet articles. All athletic classes (tennis, soccer, flag it, basketball, ultimate games, etc...) require tennis shoes to be worn.

Please fill this form out (found on page 5) and bring it or fax it anytime before the start of your child's first session. Should any of the information change, please contact us immediately. If you need to reach a Youth University staff member for any reason, please call 423-425-4344.

### Discipline

Even though this is not a regular school setting, we do have rules that must be followed. If your child is causing a problem within a classroom, the teacher has permission to send the child to the YU office and ask that the parent be called. If the child has to be sent to the office three times, your child will be asked not to return .

### YU Instructors & Staff

Youth University instructors and staff are local school teachers, UTC faculty, personnel, and students, local artists, and individuals in the community expressing an interest in educating our youth. Our enthusiastic YU staff is looking forward to another great summer of new and exciting classes.

### Lunch

YU students have two options for lunch:

1. Students may bring their lunch every day. Drink and snack machines are available if you wish to send money with your child.
2. Students may sign up to get lunch provided for the week by UTC Food Service. The cost is \$30 per week. The menu includes one of the following each day- pizza, chicken tenders, hot dogs, hamburgers, and cold cut sandwiches with fruit, dessert, and a drink. **NO SUBSTITUTIONS ARE ALLOWED.**

Sign up for lunch can only be done as an entire week, not on a daily basis. This can be done either at the time of registration or by Wednesday of the week before. Due to the nature of many of the Junior Camps, buying lunch is not always an option and lunch should be brought each day unless otherwise specified. Please refer to the registration form on page 8.

### Parking

Youth University and Junior Camps will meet in Hunter Hall on Baldwin Street right off of McCallie Avenue (please following drop off instructions) for parking on the UTC campus. Parking is available in University Lot 21, located on Baldwin Street. In order to park in that lot, you must use the parking permit provided here. The permit must be visible at all times when dropping off or picking up your child. You will be responsible for any tickets.

### Drop Off & Pick Up

On the first day of each session, parents should bring their child in and check-in with a member of the YU staff. Children will then be directed to the proper room. All other days the child may be dropped off at the door where a YU staff member will be waiting. At the end of the day, all children going home at 4:00 pm will be led out to the carpool line. *To join the carpool line, take Oak Street (off Palmetto) towards Baldwin. Come through the gates and watch for YU staff.* All children must be signed out at the carpool line. If your child is getting picked up by someone other than you, please fill out a Pick Up Authorization Form and send it with your child to inform the YU staff. Any child not picked up by 4:15 pm will be sent to afternoon care and the parent will be charged for that service. All children enrolled in afternoon care will be taken to a different room. When picking a child up from afternoon care, please park and come into the building and sign your child out. **YOUR CHILD MUST BE SIGNED OUT ANYTIME HE OR SHE IS PICKED UP EVEN IN THE MIDDLE OF THE DAY!**
