

*“The challenge of leadership is to be strong, but not rude; be kind but not weak; be bold but not bully; be thoughtful, but not lazy; be humble, but not timid; be proud, but not arrogant, have humor, but without folly.” - Jim Rohn*

Ed.D. Orientation  
Program  
Cohort 3  
June 7<sup>th</sup> – June 9<sup>th</sup>  
2007

## **LEARNING and LEADERSHIP**

### **Orientation Experience**

June 7<sup>th</sup> -9<sup>th</sup> 2007

Participation in this orientation experience is one of the requirements of the EdD in Learning and Leadership program. The orientation experience is one of the times during the program when all doctoral faculty and learners meet together.

During the three days of program orientation, you will:

- Get acquainted with your cohort peers
- Be introduced to the faculty and the courses they will facilitate
- Understand the role and function of the ILLP (Individualized Learning and Leadership Plan) and how it is prepared and evaluated
- Discuss the dissertation and its role in the program

The orientation experience is in conjunction with the on-going Learning and Leadership seminar (EDD 770). The three-day orientation is the first formal activity of the Learning and Leadership doctoral program. You are expected to complete the following activities:

1. Bring your copy of the APA manual (5<sup>th</sup> edition) to orientation on 6/9
2. Participate in all discussions and learning experiences associated with the orientation experience
3. Complete a formal evaluation (on the form to be provided) of the orientation

We intend for the doctoral program to be one of the most fulfilling and meaningful professional and personal growth experiences that you have had.

We welcome the opportunity to embark on this journey with you...

## The Schedule

- ❖ A daily continental breakfast will be provided in our primary meeting room. Afternoon snacks and beverages will also be provided. You are on your own for lunch each day.

### Thursday, June 7<sup>th</sup> Patten House: Garden Room

#### *Relationships & Program Framework*
