

In this guide you will learn how to:

- Title a Web page
- Choose a page's background color
- Choose the color of a page's text
- Choose the text color of a page's hyperlinks

STEP 1

Click on the page properties icon located in the menu bar along the top of the opened page.

STEP 2

Once you've clicked on the icon, the inspector menu will change to reflect the image on the right.

Use this inspector to:

Title your Web page

Choose a color for the text on your page

Choose colors for your hyperlinks

Choose a background color for the entire page
