These are approximate costs only. The textbooks students buy in the first semester will be used in all subsequent semesters, and forms the beginning of your professional library. Other texts will be added as appropriate. Some texts may be purchased second hand.

Please note there is an additional charge for JCAHO requirements.

*Liability insurance MUST be purchased through the UT system

**CPR certification may be obtained outside the school of nursing (prices vary)

***Physical examination cost at UTC Student Health

****Hepatitis B vaccine is a series of 3 injections over a 7 month period. Each injection is \$35.00 at UTC Student Health, but may be completed elsewhere.

PLEASE NOTE: STUDENTS MUST MAINTAIN PERSONAL HEALTHCARE INSURANCE THROUGHOUT THE NURSING PROGRAM. This is available through UTC if you are currently uninsured. See Student Health for details.
