WILLIAM H. WHEELER RESEARCH SCHOLAR AWARD
Application and Proposal
(Due December 1, 2009)

1. Name(s) _____

2. Department _____

3. New Proposal ☐ Renewal Proposal ☐

4. Please attach a current résumé.

5. Please attach a detailed proposal (not to exceed 5 pages) for work in odor research for the term of the grant. Although new research ideas may develop during the course of the research, the applicant should outline in some detail the initial plans for beginning the research and give a broad outline of some of the approaches for the research and some of the expected outcomes. The applicant also should list his or her specific qualifications for being able to conduct successfully the research and activities outlined in the proposal. The applicant should list any ideas for planning or offering courses, or a short-course, or seminars related to odor science. Finally, a brief annual budget should be provided.

6. Signature of Applicant(s):_____

7. Comments by Head of Applicant's Department:

8. Signature by Head of Applicant's Department: _____
