THE UNIVERSITY of TENNESSEE at CHATTANOOGA

Hazardous Waste Removal Request

DATE: _____
DEPARTMENT: _____
BUILDING: _____
ROOM NUMBER: _____

It is the responsibility of the waste generator to provide a material safety data sheet (MSDS) for any item designated for disposal. A material safety data sheet is required for the disposal of each material. If an MSDS is not available, or if the material cannot be identified, contact the Department of Safety and Risk Management for labeling and disposal procedures.

NAME	TOTAL QUANTITY	# OF CONTAINERS	CONTAINER SIZE	MSDS (YES/NO)

The hazardous waste/ materials listed above are labeled and ready for removal.

Generator's Signature: _____
