

**Instructional Excellence Grant
EVALUATION REPORT**

Grant evaluations are due 12 months after funding has been received.
Delinquent evaluations may restrict future funding opportunities.

Project Director:

Title of Project:

Other Participating Faculty:

Date:

I. Explain how your Instructional Excellence Grant improved teaching and made a difference in your classes.

II. Why was your project a success? (Please refer to your proposal regarding how you would evaluate the success of the project and your evaluation criteria.)

III. What did not work as you had expected on your project? What would you do differently with this project if you could?

IV. How many students benefited from this project?

V. Actual amount spent on this project:

Note: Video, print and other typical library resources purchased with Instructional Excellence Grant funds will be catalogued and housed in the Lupton Library collection to enhance and improve access to the resource material.

If funds were used to purchase such resources, list the Library call numbers below.

Return completed evaluation form to the Walker Teaching Resource Center, Mail Code 4354.
