Mathematics Position Opening:

The Department of Mathematics at The University of Tennessee at Chattanooga (UTC) invites applications for two tenure-track positions in mathematics at the Assistant Professor level or higher beginning Fall 2016. Salary is competitive and dependent upon educational preparation and experience. Candidates must have earned a Ph.D. in mathematics by August 15, 2016. Candidates must have proven experience or ability to provide instruction in a variety of modalities including online.

The successful candidate must have a record of excellence in teaching at the college level and a strong record of, or outstanding potential for, significant research, and a strong commitment to service at both the departmental and university levels. The expected teaching load is three courses per semester. There are a number of internal sources of research funds that can lead to a reduced teaching load. All areas of research will be considered. Preference will be given to the candidates whose research interests are in the fields of Mathematics Education, Numerical Analysis, Operations Research, and Statistics.

Application Deadline is November 15, 2015. Screening of all applicants will begin November 16, 2015. While preference will be given to applications received by that date, the review will continue until the position is filled. In addition to submitting an AMS Standard Cover Sheet, a letter of interest, curriculum vitae, teaching statement, research statement, and other supporting documents, applicants should arrange for at least three letters of recommendation, at least one of which addresses the candidate's teaching. All application materials including letters of recommendation must be submitted electronically to: facultyvitae35@utc.edu.

The University of Tennessee Chattanooga is an EEO/AA/Title VI/Title IX/Section 504/ADA/ADEA institution in the provision of its education and employment programs and services. All qualified applicants will receive equal consideration for employment without regard to race, color, national origin, religion, sex, pregnancy, marital status, sexual orientation, gender identity, age, physical or mental disability, or covered veteran status.
