2009 FACULTY AND STAFF CAMPAIGN

UTC'S FAMILY TACKLING CAMPUS & COMMUNITY CHALLENGES

April 1, 2009
through
April 30, 2009

We Shall Achieve

UTC is a family, and families stick together—through thick and thin. We become better as we face tough times that push us to our limits and require our very best. As a campus, we can unite together and tackle the situations that challenge our University. We have the power to affect positive change on our campus and out to our Chattanooga community.

Your gifts—of any amount—to the Faculty and Staff Campaign support the UTC family by enabling us to make a difference in the lives of the students who depend on us. We know that education is vital as we train our future problem solvers and world leaders. And we know that scholarship support for the 2009-2010 academic year and beyond will be more important than ever as students face higher tuition and dwindling financial assistance. Your support can enable students to stay in school and continue to pursue their academic goals.

Whether your gift provides educational funds for your work team, crucial funding for graduate students, textbooks for members of the UTC family, support for athletic programs, labs, advising, scholarships, safety or any other aspect of our University, together we can help tackle our growing challenges.

You choose how you want to help.

You choose where you want to help.

Together, we can choose how great UTC can become!
