### Important Guidelines:

- Some majors may limit the number of available options in each category. Please check your program requirements for more information.
- Courses that have not been certified for the General Education curriculum may not be used to satisfy any General Education requirement.
- Freshmen may not register for 3000-4000 level courses without the approval of the department that houses the course.
- Honors courses that fulfill requirements but are restricted to participants in the Brock Scholars Program are not listed.
- *All students should consult the 2014-2015 Undergraduate Catalog for the official list of general education courses, program requirements, and course pre-requisites and/or co-requisites. This checklist is intended to be a supplemental resource.*
