

# Telephone Rates

The Executive Vice Chancellor for Finance and Operations will continue to present a budget to centrally include charges for telephones, with the exception of Auxiliary Services and self-fund accounts. Units should include additional costs if they intend to expand their present service; costs for these services are outlined in the budget instructions. Auxiliary units and grant-supported programs should include all telephone charges and/or requirements for information technology and web-based access.

The rates for telephone installations and related telecommunication charges for **2014-15** have not increased and are as follows:

## **New Voice Service Initial Charge**

Business Line	400.00
Dterm Business	600.00
Hourly Charge	0.00
Feature Modifications	20.00
Move Existing Line	50.00
New Wiring (Data Port)	208.00
New Wiring (Voice Port)	100.00

## **Monthly Recurring Charges**

Business Line	19.95
Dterm Business	19.95
Includes Voice Mail	

## **Student Housing Charges**

Provided Telephone (One Voice Mail)	19.95
Additional 30.00 per year per voice mailbox
