First-Year Advising Process:

During their first year, students advised by the Center for Academic Support and Advisement will meet virtually with their advisor a minimum of twice a semester. Students will receive an email to their Mocs email address, instructing them how to select an appointment time. Emails to advisors are professional communications, so please include your full name and UTCID. In-person appointment requests are to be requested once a virtual appointment has been scheduled.

By the end of the freshman year, a student should be able to:

1. Recognize and identify available majors in area of interest, understand major and appropriate General Education requirements, and said majors' pre-requisites and co-requisites.
