

Some changes in Math placement prerequisites have recently been made that may affect the math courses in which you enroll for the summer or fall. The following table identifies the prerequisites or placement score (ACT or SAT Math sub-score) for each entry-level math course. Please read the chart carefully so that you understand the courses available to you.

For additional information, please contact the Department of Mathematics.

### **Math Placement Criteria Fall 2013**

<b><i>UTC Course</i></b>	<b><i>Pre-Requisite</i></b>
<b>Math 1010: Mathematics in Our Modern World</b>	None
