

## **Assignment 10**

**Due Date: 4/19 at (midnight)**

Proper personnel are also a foundation for information security. The K-Li-Win corporation wants to create a listing of IS job titles, qualifications, and salaries. In order to be sure we are current, you need to go to one of the job hunting sites such as Monsters.com and find IT security jobs. Provide a list of 10. Provide the job title, company, qualification, salary and location.
