Toddlers 1: Charlotte Hubert, Alexandria Bowman, Takodia "TK" Brooks, Denalyn Lindsey

Infants: Sharonda Stiggers, Katie Griffin

Staff Floaters:

Coordinators' Corner

Dear Parents

Thanks so much to all the Battle site parents that helped out with the Summer Kick-off, it is very much appreciated.

Our next big event will be at both sites, the yearly ITERS/ECERS evaluations with our 3 STAR program. Staff will keep the parents posted on all the details.

Cindy

Dear Parents,

Have you registered your account on MyProcure.com??? All you need is your email address that you gave us when we first registered you in Procure. Once registered you will be able to do the following from home or work:

- Make an online payment to your account

- View your child's ledger sheet.

- Print important reports you might need for income tax purposes, dependent reimbursement accounts, etc.

- Update new work, home or cell phone numbers

If you have any questions or issues please do not hesitate to ask.

Thanks.

Jackie and Martha

Infants

Hello Parents,

I hope everyone had a great Memorial Day! For the month of June Infants will be learning nursery rhymes. Unfortunately infants will be saying good-bye to Joni and Everest as they move up to the Young Toddler room and Hazel will be moving over to the Brown Academy site. We are going to miss you all!

June 3rd is Battles Summer Kick-off from 3:30-5:00 please make sure all children have a parent.

Good Housekeeping: Please make sure you wash your hands and your child's hands when entering the room and that you are wearing the blue shoe covers or socks. Please label all of your children's items. Since summer is approaching please bring a hat for sunny days.

Thank you for being such WONDERFUL parents

Ms. Debbie and Ms. Cathy.

Young Toddlers

Dear Parents,

This month we are exploring Beaches, Water, Ocean Animals, and Oceans. We would love to get some pictures of the beach if that is where you take your family vacation. We would like to make a vacation book with pictures of all the places our families visit (doesn't have to be the beach).

We will be having our annual Summer Kick-Off on Friday, June 1 from 3:30-5. Make plans to join us during this very fun festival for the children. Every child needs a hand holder, feel free to bring grandparents, aunts and uncles. There will be cupcakes, prizes, face painting, bubbles, and more for you and your children to enjoy.

We will be starting outdoor water play on Fridays. Rather than wrestling the children into and out of swimsuits we just get good and wet in our school clothes. So please be sure there are plenty of outfits in your child's cubby bag. Weather permitting we will get nice and wet.

Thank you again for all of your thoughtful treats and cards during Teacher Appreciation week.

Have a great June,

Ms. Ann, Mr. Ben, Ms. Jameshia, and Ms. Kayley

Older Toddlers

Dear Parents,

Thank you parents for a wonderful Teacher Appreciation Week!!

And thank you for all your help with our bug unit (especially Kat and Shane-Primrose's parents). The Older Toddlers really enjoyed getting messy and digging for bugs!

For the month of June, the Older Toddlers will be learning all about animals. We will start this unit by discussing cats and dogs. We will be adding real dog and cat toys and supplies (collars, leashes, etc) to some of the centers in our room, so donations of new dog and cat toys and any supplies would be gladly accepted. We will then move on to discussing and learning all about farm animals, zoo animals and circus animals.

As always, please remember to check your child's mesh bag for an appropriate change of clothing.

Thank you for your support of our room and everything we do!!

Ms. Amy and Ms. Katie

PreSchool

Dear Parents,

May was a very busy month. The children had lots of fun creating their Mother's Day gifts for Mom. The Gardening Project were fun as well as educational.

Thank you for all the goodies, flowers and gift cards that were donated during Teacher's Appreciation Week! Every gift and act of kindness is very much appreciated.

Our theme for the month of June is Summertime Fun

June 4 - June 8- Personal Safety (Stranger Danger and Good Touch Creepy Touch)

June 11 - June 15 - Fathers

June 18 - June 22 - Water and Water Safety

June 25- June 29 - The Beach, Ocean and Sea Creatures

Summer Kickoff: Friday, June 1, 3:30p.m

****Muffins for Dads - Friday June 15, 7:30-9:00**

We look forward to having another great month. Working together we are molding these young lives for a bright and promising future.

Ms. Hilda and Ms. Jean

PreK

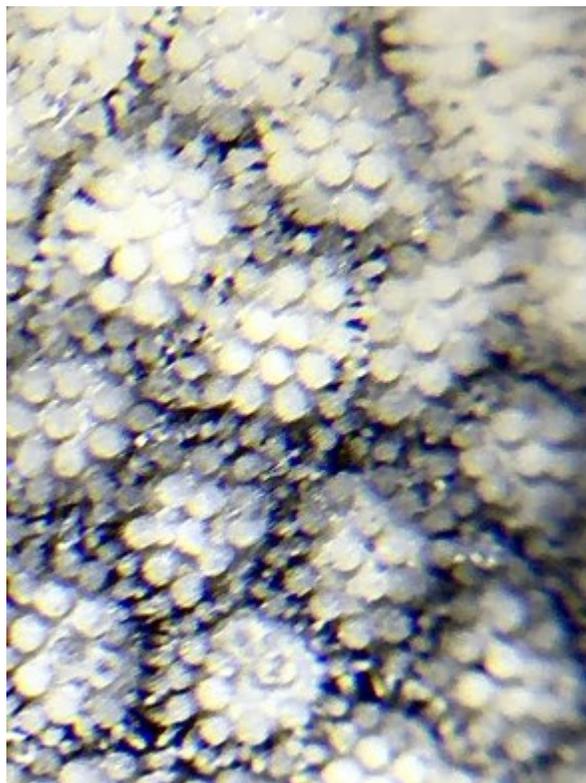

Dear Parents,

What a busy month May was! We're sad to say goodbye to Eleanor, Mays, Pippa, and Ellis, but happy to welcome Trilium, Abram, and Lucy to Pre-K!

During the summer, we will be changing up our nap schedule a little to get our soon-to-be-Kindergarteners ready for schooldays without nap. Normally nap runs from 1:00 to 3:00. During the summer, we start nap at 1:00, and wake up those going to Kindergarten at 2:00, when they can read a book or play quietly at Table Toys or Art centers. If any of the younger Pre-K-ers are awake, they can get up as well, but we won't be trying to get them up ☺

Thank you,
Anna and Beth

P.S. Thanks to Miles for bringing in real live (well, dead actually) sea stars! They were amazing to look at close-up under the microscope!

Check with your child's class for days and times for water play.

Infants

Hello Infant Parents,

The fun doesn't stop, and we are bouncing into summer! The infants have been quite busy lately cruising, standing, climbing, and playing together with their friends. Just as our flowers are steadily growing, so are our sweet infants!

This month we give a huge round of applause to four of our older infants (Charles, Eric, Katherine, and Marlee) who were promoted to the Toddler 1 (T1) class, and will begin on

June 1st, Congratulations!!! We will surely miss each of them, but we are thankful that we have the opportunity to see them learn and grow during their time here at Brown. Also this month, we will welcome a new infant to the room, Emerson will be joining us shortly and we eagerly await her arrival.

As a friendly reminder, please either wear only socks or shoe covers when you enter the room. Secondly, please be sure to wash your hands and your child's hands with soap and water upon arrival. Lastly, please make sure to label each of your child's food items.

Following these few simple steps goes a long way in helping us to keep the room as clean as possible for your precious little ones.

Please note the following important dates for the month of June: Thursday, June 21st is the first day of summer; and Saturday, June 17th is Father's Day.

Finally, we wish you and your family a very happy Father's Day! On behalf of your precious little ones, we extend a heartfelt appreciation for all you do!

Warmest Regards,
~ Ms. Sharonda and Ms. Katie

Toddler 1

Hello Toddler-One Families,

Wow, it is hard to believe that we are into the month of JUNE! We are so thankful for the encouragement and the many acts of kindness expressed during Teacher Appreciation Week last month. You all are awesome and we appreciate your support of us and our program.

As we enter June, T1 would like to officially welcome to our classroom, Marlee McMillan, Charles Farrell and Katherine Adams from Infants. We are excited to have them and their families join us. We said goodbye to Emmett Clark, Silas Caldwell, Penelope Ross and Rowan Penman. They are off to new adventures in Toddler-Two with Ms. Kathy and Ms. Courtney. We wish them well and we will miss them dearly.

During the month we will incorporate some outside water play activities. The dates will be posted outside of our classroom and reminders sent via the daily sheets. We will also continue our patriotic themes as we celebrate Flag Day and the freedoms it represents. Help us keep your children safe from over exposure to the sun. Please provide sunscreen or hats for our outside play.

As always, we thank you for giving us the opportunity to learn and grow with your children. Please let us know should you have any questions or concerns.

Mrs. Charlotte, Ms. Alexandria, Ms. Denalyn and Mr. TK

UTC CHILDREN'S CENTER AT BROWN

Toddler 2

The sun is shining and summer is upon us!! June is going to be a great month. During this month, we will enjoy camping, cooking, nature walks, and art projects. We are very excited about this month and look forward to tons of summer time fun.

Our themes for this month are:

Healthy Eating
Camping
Camping
Water Fun

This month, we will sadly be saying goodbye to August James (AJ), Bailey Franklin, Benjamin Foerder, Garrett Lewis, Baylee Spearman, and Ellie O'Donnell, but I want you to help me welcome our new friends! This month we will be welcoming Lucas Hassler, Will Rivers, Avery McMillian, Kylie Griffin, and Rosalia Mansueto.

JUNE BIRTHDAYS

Caroline Nichols

Reminders: Water day for this month will be every other Wednesday, the start date will be posted on our class room whiteboard outside of the door.

Lastly, we would like to say Happy Father's Day to all of our Dynamite Dads!!!

Please let me know if you have any questions or if I can assist you in any way.

Ms. Kathy and Ms. Courtney

Preschool 1

Dear Preschool 1 Parents,

We had a ton of fun in May learning about veggies, fruit, cooking, shapes and colors.

For the month of June we will be learning about Eric Carle, and camping.

Preschool 1 will like to welcome Joshua, Everett, and Lucas to our classroom from Toddler 2.

We will start our WATER DAY on June 6th, 2018 at 10:00. Our water day will be every Wednesday. For water day you will need to bring a towel, swimwear, and sunscreen for your child. Please label all items brought for water day.

Thank you for your continuing support to our classroom and school.

Reminders:

Please remember to wash your hands and your child hands upon entering the classroom.

Please send weather appropriate clothes for your child every day. We are required to go outside for an hour daily, as long the temperature is above freezing and there is not any type of hazardous condition (i.e. lightning).

As always if you have any questions or concerns, please let me know!

Thanks, Ms. Tashina, and Ms. Alexis

PreSchool 2

Dear Preschool 2 Parents,

This month we will be learning about Dinosaurs, Camping, and America's Birthday! We will also be starting our Water Day beginning on the 7th.

We will have our water day every other week alternating Thursdays and Fridays from 10:00-11:30. We have a Water Day Schedule posted by the classroom door. Your child will need a swim suit, sunblock, a towel, water shoes (the sidewalk can get hot on little feet J), and a bag for wet clothes on these days.

*If you could please send your child on water days already in their swim suit with sunscreen applied this helps us a **LOT** with getting everybody ready for water day. Also please label everything!

We will be having an "America's Birthday Party" next month on the 3rd where parents and grandparents are invited to come. The children will rehearse and sing some songs for you. More details to follow later via email.

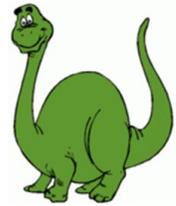

We say good bye to Jane, and Zuma as they move up to Pre-K. We will miss them but are excited for their new transitions.

Just a reminder- Sunscreen cannot be kept in the children's bags so if you send some to school please hand them to a teacher so we can put them out the children's of reach. This is a license requirement, and this also applies to anything with the labeled "keep out of reach of children". Thank you for your help in this!

Thank you, dads, for all you do, we hope you have a very happy Father's Day!

Let me know if you have any questions or concerns.

Mrs. Leah and Ms. Katie

Pre K Upstairs

Dear PreK Upstairs families,

May was such a fun month full of learning about bugs, summer fun, and many kinds of animals! In June we will be discussing camping, the beach and the rainforest, in addition to other subjects.

We had to say goodbye to Gio and Vera at the end of May but are welcoming some new friends. Jane and Zuma are moving up from Ms. Leah's class and a former student of mine, Dottie, is spending the summer with us.

As we enter in to the warm months we plan on having water days and other special events. The kids love these days! Keep an eye out for more details.

Please be sure that your child wears weather appropriate clothing including shoes. And every child needs a complete change of clothing (weather appropriate and fits) to keep in their cubby for emergencies.

Thanks for all of your support!

Pre K Downstairs

Dear Pre-K Downstairs Parents,

First, we want to thank everyone again for all of the wonderful Teacher Appreciation Week surprises! It was a great week. You all always go above and beyond and we are both extremely grateful for all you do!

It is almost summer! We will be learning about a lot of fun topics this summer. We are going to talk about dinosaurs, camping, art, and the beach. It should be a fun summer. We will also be having a picnic on Tuesday, July 3rd, in celebration of Independence Day. We will also have water days in the summer, every two weeks. We will have these beginning at about 10:00 am, so it won't be as hot. Please bring your child in their swimsuits and provide sunscreen and towels. You may also bring hats, water shoes, and sunglasses if you wish. Please label all of your child's belongings.

Let us know if you have any questions or concerns.

Thank you,

Ms. Jennifer and Ms. Taylor

Check with your child's class for days and times for water play.
