Subject: Health Insurance Marketplace Notice

The University of Tennessee campuses offer health insurance plans to undergraduate and graduate students. Each campus may have different eligibility criteria and varying premium/contribution rates. Some students, such as international students, are required to purchase health insurance.

In addition to the university offered plans, other personal health insurance plans, or coverage under your parents' plan, you may use the Health Insurance Marketplace to find insurance coverage that meets the requirements of the Affordable Care Act. In the Marketplace, you can compare plans based on price, benefits, quality, and other features important to you before you make a choice.

As required by the Affordable Care Act, the University is providing details about the Marketplace in the attached Health Insurance Marketplace Notice. If you have specific questions about the Marketplace after reading the notice, please call 1-800-318-2596 or visit <http://www.healthcare.gov>.

If you have questions about eligibility or plans offered by the Knoxville, Chattanooga, Martin, or Tullahoma campuses, please call United Healthcare at (800) 767-0700.
