

**Application for Research Funding**  
Center of Excellence in Applied Computational Science and Engineering  
The University of Tennessee at Chattanooga

Principal Investigator: \_\_\_\_\_ Date: \_\_\_\_\_

Email: \_\_\_\_\_ Phone: \_\_\_\_\_ Rank: \_\_\_\_\_

Department: \_\_\_\_\_ Mail Code: \_\_\_\_\_

Brief Title of Project: \_\_\_\_\_

Proposed Research Period From: \_\_\_\_\_ To: \_\_\_\_\_

Supporting Department(s): \_\_\_\_\_

Requested Funding: \_\_\_\_\_

<b>Budget Area</b>	<b>Amount</b>
Salary	
Fringe Benefits	
Travel	
<b>Total</b>	

Expected Source of Funding for Continuation of the Research Activity:

Expected Amount of Grant or Contract and Year of Award:

Requesting Agencies/Applied for: \_\_\_\_\_

Expected Date: \_\_\_\_\_

Supporting Agencies/Applied for: \_\_\_\_\_

Receipt Date: \_\_\_\_\_

Project Abstract (Include significance and contribution of work to field of Applied Computational Science and Engineering):

Summary of Project Objectives:

Summary of Expected Results:

Summary of Follow-On Activities for which External Support will be sought:

Is there potential for conflict(s) of interest?	Yes	No
Are human subjects and/or animals used in the research?	Yes	No

**Attach a white paper (no more than five double spaced pages) addressing the proposed research project including a project description, project objectives, expected results, contribution to the field, support required, source of continued research funding (target agencies/funding), and proposal(s) submission dates.**

PI Signature: \_\_\_\_\_

Dept. Head Signature: \_\_\_\_\_

Dean Signature: \_\_\_\_\_
