INSTRUCTIONS

- ❖ Application must be typed. Please type your responses directly on the form in the spaces indicated.
- ❖ Print, sign, and date the completed application
- ❖ Attach an unofficial transcript.
- ❖ If interested in the American Nuclear Society Scholarship, the Chattanooga Technology Council Scholarship, or the Information Systems Security Association Scholarship, please note the additional items that should be included in your application package.
 - American Nuclear Society Scholarship: Applicants must submit a resume, essay, and references along with the scholarship application.
 - Chattanooga Technology Council Scholarship: Applicants must submit an essay of 1000 words or less in order to demonstrate his/her drive, passion, and interest in the future of Engineering or Computer Science. This essay should address the need for the work in the field or the evolving national or global issues that the field is facing.
 - Information Systems Security Association Scholarship: Applicants should submit an essay of 1400 words or less in order to demonstrate his/her drive, passion, and interest in future IT research or area of desired future work in Information Security, Computer Engineering, or Computer Science. This essay should address the need for the work in the field or the evolving national or global issues that the field is facing.
- ❖ Final day to submit scholarship application package is **Monday, March 21st at 5:00pm**. NO EXCEPTIONS. No scanned or faxed applications will be accepted. Submit scholarship application package to:
 - UTC's College of Engineering and Computer Science
 - 615 McCallie Avenue, Dept 2452
 - Dean's Office, EMCS Building, Room 450
 - Chattanooga, TN 37403
- ❖ If you have questions, contact Susan Cardwell at 423-425-2256 or Susan-Cardwell@utc.edu.

IMPORTANT NOTE: Have you completed your application for Federal Student Aid (FAFSA)? Early filing of the FAFSA is strongly encouraged and required for scholarships that are designated to be awarded to students with financial need.
Please Note: FAFSA is available online at www.fafsa.gov and must be completed each year.

Scholarship funds are limited and the awarding process is competitive. Meeting the eligibility requirements does not guarantee a student will receive a scholarship.
