

NOTIFICATION OF INTEREST IN COMPUTATIONAL ENGINEERING AT UTC

Computational Engineering Graduate Program
The University of Tennessee at Chattanooga

Applicants who are interested in the Computational Engineering Program but have not yet decided to apply are strongly encouraged to complete this form to notify the Program of their possible interest. Please send the completed form to the **SimCenter: National Center for Computational Engineering, University of Tennessee at Chattanooga, Attn: Dr. James Newman, 701 East M.L. King Blvd., Chattanooga, TN 37403** or fax it to 423-425-5517, attn: Dr. James Newman. Alternatively, electronic versions of these forms may be sent directly by E-mail to **James-Newman@utc.edu**.

APPLICANT: _____ Date: _____

Name: _____
(Last) (First) (Middle)

Semester you wish to enter: Fall () Spring () Summer () Year: _____

Date of Birth: _____ Country of Citizenship: _____ Tennessee Resident? YES NO
(mm/dd/yyyy)

CONTACT INFORMATION: (Please give information indicating how we may best contact you.)

Telephone: Home _____ Other Phone _____ Email: _____

Mailing Address: _____
(Address) (City) (State) (Zipcode) (Country if other than U.S.)

How did you learn of our Computational Engineering Program? _____

DEGREE PROGRAM: I am interested in [Part-time Full-Time] graduate study in the [MS PhD] program.

EDUCATION:

	Institution	Degree/Major	Date of Degree Conferral	Grade Point Average
1.	_____	_____	_____	_____
2.	_____	_____	_____	_____
3.	_____	_____	_____	_____

GRE SCORES: Verbal _____ Quantitative _____ Analytical _____ TOEFL (if required): _____

EMPLOYMENT:

If employed, give your current employer, occupation, and location _____

Why do you want to pursue graduate education in computational engineering? (1000 characters or less)

NOTE: This form is not an application for admission. Formal application to graduate study must be made in accordance with established procedures at the UTC Graduate School: www.utc.edu/GraduateSchool. Application forms for the Computational Engineering Program are available at www.utc.edu/CmE.
