Dear families,

I hope everyone had a magnificent month of May and a wonderful Memorial weekend! Last month, we celebrated Madison's first birthday and said our goodbyes to both Reece and Madison as they moved up to YT. We'll miss you girls, but we know you'll have fun with your new friends and teachers. And we said our goodbyes to Henry as he moved out of state. We'll miss you, Henry! We also had a lot of fun learning more about family with our visitors from the Wolf Trap Institute. The kids loved the new songs we learned!

Our theme for June will be about the ocean/beach! We'll focus on ocean animals, water, sand, and what to wear at the beach. I know the kids will enjoy this theme! We have two birthdays to celebrate this month. Scotland's birthday is on June 3rd. Happy 1st Birthday, Scotland! And Ms. Becca's birthday is on June 26th. Happy Birthday Ms. Becca!

With summer fast approaching, we've been doing some Water-Play outside! So, if everyone could please bring in a bottle of sunscreen for their little one that would be great! As always, if you have any questions or concerns, please feel free to contact Ms. Becca or me. I hope everyone has a joyful June! Thank you!

-Ms. Kelly & Ms. Becca

Young Toddlers

Dear Parents,

We are continuing our gardening unit and then expanding into animals. We will start with bugs (hopefully our ladybugs will be ready to release) and continue on to wild animals, farm animals, and pets. We are slowly shaping up the garden area in front of the school and adding potted plants of various sorts on the playground.

We are saying goodbye to Ella and her family as she moves up to OT.

A few gentle reminders, please make sure to wash your hands and your child's hands at the little sink upon entering the classroom. Also, make a quick check daily of your child's cubby bag for art, dirty clothes, or other items to go home.

Have a wonderful May,

Ms. Ann and Mr. TK

Older Toddlers

Dear Parents,

Thank you, parents, for a wonderful Teacher Appreciation Week!!

For the month of June, the Older Toddlers will be learning all about animals. We will start this unit by discussing cats and dogs. We will then move on to discussing and learning all about farm animals, zoo animals and aquarium animals. During this unit we will learn how to take care of animals and how to treat our pets.

Thank you for your support of our room and everything we do!!

Ms. Amy and Mr. Ben

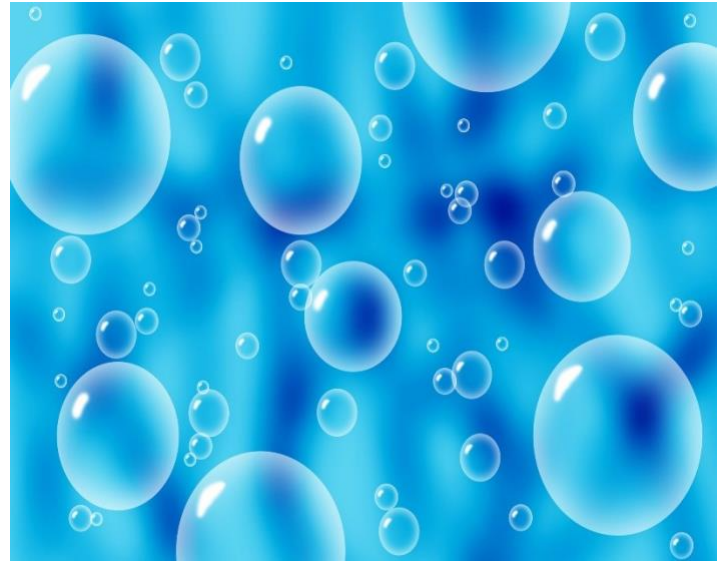

Preschool

Dear Parents,

Summer has arrived! What a fun time of the year to enjoy bubbles, water play, exploring the great outdoors, and picnics. Preschool loves to be outdoors. We go on walks around the school, visit the dog park, and play on the Clifford playground.

We will be discussing vacations and families for the month of June. Please send a family photo in with your child to be hung on the family board for your child to enjoy.

A “shout out” of thanks to Luke and his family for donating our new friends Spiderman, Charlie, and Princess. Our new hermit crabs came all the way from Florida on Luke’s family vacation. Stop by and check them out in the crab house.

Much thanks also to all the parents for Teacher Appreciation Week! I cannot thank you enough for all your kindness and generosity.

Have a great summer!

Ms. Jean

Pre-K

Dear Families,

We had a fantastic May in Pre-K! We played board games and bingo, built bug houses, made maps, and found treasures, and wrote and illustrated a book! We said goodbye to some friends for the summer and are welcoming some new members of the class this month.

As always, if you have any questions or concerns, please don’t hesitate to let me know!

Thank you,

Anna

Dear Preschool One Parents,

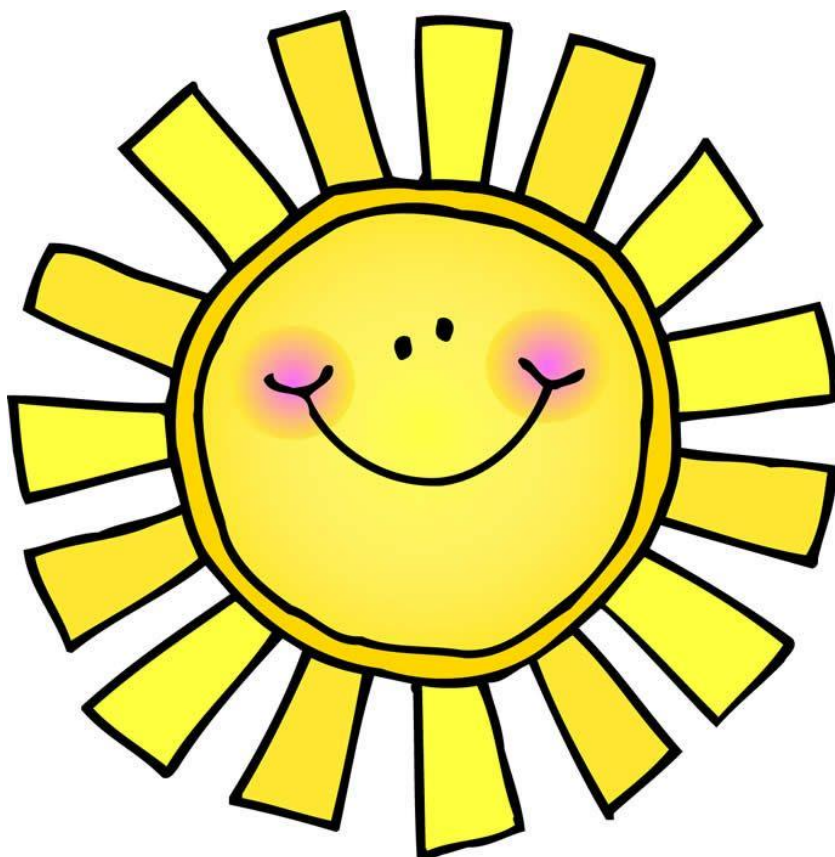

Happy June! Summer is quickly approaching, and we are excited to see what it brings. In May, we had a great time learning about bugs, birds, frogs, and our five senses. Also, thank you for everyone who participated in teacher appreciation week. We are thankful for you!

This month we are going to learn about a lot of new things! First, we will be talking about space. Then, we will then learn about a class favorite subject, dinosaurs! After that we will welcome in the new season of summer by learning all about it.

In June we will also start having water days! Students will need sunscreen, towels, and bathing suits. You can also bring items like hats and water shoes if desired. An email will be sent with specific details for dates and times.

If you have any questions, please let us know!

-Ms. Beth and Ms. Ashley

Preschool 2

We had so much fun during the month of May! We learned about community helpers, frogs and fish that live in the pond, and reviewed our letters and numbers! I'm looking forward to all things summer in the month of June! We will be learning all about coming camping, the ocean and the animals that live in it, and animals that live at the zoo!

Thanks, Ms. Taylor and Ms. Christine

Pre-K Downstairs and Upstairs

Dear PreK families,

It's getting hot! This means fun activities during the summer. Keep an eye out for details.

In May we enjoyed learning about bugs, fossils, and dinosaurs. This last topic was a huge hit! In June we will concentrate on camping, the beach, and more.

We said goodbye to Andrew, Darren, and Gus Burk as they left for a summer filled with family and camps before kindergarten begins. We will miss these boys!!

Please be sure that your child wears weather appropriate clothing including comfortable shoes. We tend to be outside more often in the warmer months.

Thanks for all of your support!

Ms. Jennifer, Ms. Shawn, and Ms. Emily
