Administrative Support Assistant

Reminders:

Please,

Always remember to check-in or check-out your child/children every day that they are at the Center.

Ensure that we always have you child's/children's most up-to-date Immunization Records and Physical Examination date for their files.

Notify us if your family has a change of address or contact information.

If anyone is picking-up your child/children and is not currently on the pick-up list, send us an email to let us know, so that they can be included on the list, and this information can be in their files. They will need their ID for verification. **We will not give your child/children to anyone who is not on their pick-up list.**

Thanks,

Ms. Doreen

Infants

Dear families,

I hope everyone had a joyful June! We hope all the fathers in the room had a wonderful Father's Day! Last month, we learned all about the ocean/beach. We did some ocean art and played with beach toys. We even looked at some seashells. They really have been enjoying our water-play days too! We also had fun celebrating Scotland's and Ms. Becca's birthdays.

Our theme for July will be about the summer! We'll focus on all things summer like clothing, warm weather, and fireworks for the Fourth of July! We would also like to give a warm welcome to Robert Yue and his family as he will be starting our class on July 11th. We are so excited to have you join us!

Please remember that the Center is closed on Monday July 4th. As always, if you have any questions or concerns, please feel free to contact Ms. Becca or me. I hope everyone has a jolly month of July and Happy Fourth of July! Thank you!

-Ms. Kelly & Ms. Becca

Young Toddlers

Dear Parents,

We had a fun month exploring oceans and the things that live in them.

This month we will be introducing Fireworks, Flags, and Camping.

When introducing fireworks, we talk about the BOOM that they make and practice with popping paper bags, so they are not frightened by real fireworks.

We will have tents, sleeping bags, flashlights, “logs and campfires”, lanterns, and camp chairs set up in the room. This might be a good time to

set up play tents in your own home/playrooms/backyards. We will take nature walks, “roast” marshmallows, eat some s’mores, and try roasted hotdogs. (I’ll be getting chicken or turkey dogs for this activity)

Have a great month,

Ms. Ann and Mr. TK

Older Toddlers

Dear Parents,

For the month of July, the Older Toddlers will be learning all about summer. We will discuss nature, animals, changes in the weather, and going on vacation. Mostly, we will focus on going to the beach, going camping and going to the park. The Older Toddlers will get to enjoy nature by going on walks and going to the “park” right outside our school. They will also get to eat watermelon and make S’mores.

We ask that parents bring in or text any pictures of their families on vacation or enjoying a day in the park so that we can display these in the classroom.

Thank you for your support.

Ms. Amy and Mr. Ben

Preschool

Dear Parents,

We would like to welcome our new friends Rowe, Evangeline, and Seraphina to Preschool.

Congratulations to Ben and family on the arrival of baby brother Luke!

I hope all the dads had a great Father's Day!

Preschool is enjoying Fun Fridays for the summer. There will be lots of fun activities involved and getting wet on the water slide! Please be sure to send a bathing suit and towel each week.

The units for July will be:

- America's birthday
- Water play
- Camping
- Zoo animals

A big thank you to the Messerlys for Ms. Jean's birthday cake! It sure was yummy!

And as always, a big thank you to all of you for your support!

Ms. Jean

Pre-K

Dear Families,

This month we've been busy! We have painted with bubbles, sculpted with playdoh, danced, and drawn, painted self-portraits, splashed in the water, built racetracks and roller coasters, and more!

We'll continue our water play days this month on Fridays. We'll also continue "half nap" through the summer.

If you have any questions or concerns, please let me know!

Thank you,

Anna

UTC Children's Center at Brown Academy Administrative Specialist

Dear Parents:

I hope that your July is getting off to a great start and that you will have a safe and wonderful 4th of July!

Many of you may not realize that there is a button installed along with a camera that we can see who is outside our building. This is for security purposes and has been very helpful in allowing us to determine who should or shouldn't be entering our section of the building. Most of the time we (myself, Cindy, and Regis) are aware of parents being outside, however, there are times that we may not be at the desk or are on the phone and not aware. Please feel free to use this button!!! It will not annoy us or bother us in the least! Also, many of our children like to press it which is totally fine!!!

Thank you for all that you do for us and being such great parents!!! We appreciate you and want to make you and your children feel safe and comfortable.

Ms. Jackie

Infants

Families:

We had a wonderful time exploring space together in June. We have also had a blast taking care of our garden and new classroom plants; if you see any tomatoes or other vegetables in the garden or in a bowl on the front desk, you are welcome to take as much as you would like; we also have plenty of sage and rosemary in the garden if you need some for cooking!

This month we will be focusing mostly on the ocean and the beach! I hope to have some fun water play activities as well!

This month we will be very sad to say goodbye to three of our infants Eleanor, Faye, and Jagger as they move up to the amazing Ms. Jameshia's Toddler 1 class!

Thank you for all your support

Katie

Toddler 1

For the month of July, we will talk about Camping and Summer foods. We shall continue having our summer fun with water day. Parent's, please remember to check hooks every day at pick-up please and check extra clothes to make sure they're the correct size and weather appropriate.

Toddler One would like to wish
Jack Ozymy July 21 and Elly Merriman July 28
A Happy Birthday!!!

If you have any questions, please do not hesitate to contact me.
Thanks!
Ms. Jameshia

Toddler 2

Dear T2 Parents,
Summer has arrived. June was a great month, but July will be even better.

During the month of July, we will discuss:

- Celebrating America
- Bugs
- Ocean Animals
- Beach

Reminders: Water Day will be every other Wednesday, weather permitting.

Please let me know if you have any questions, or if I can assist you in any way.
Ms. Kathy

Preschool 1

Dear Preschool One Parents,

Hello July! Summer is now in full swing, and we are excited to keep learning about it. In June, we had a blast learning about space, dinosaurs, and the season changing into summer! Also, our water days were a big hit with the kids. They loved getting out of the classroom for some good summer fun and yummy special treats!

This month, we will learn about the beach and the ocean. We will also learn about the creatures and animals that live at the beach and ocean.

Important dates to remember in July:

- The Center will be **closed** Monday, July 4th, for Independence Day.
- July 14th and 28th are the dates to our next water days.
-

If you have any questions, please let us know!

-Ms. Beth and Ms. Ashley

Preschool 2

Families,

Preschool 2 had so much fun in June learning all about going camping, ocean animals, and zoo animals!

We will begin July with a unit about all things USA and then learn about summertime and all the fun that comes with it!

We will also have three water days this month; please remember to put

sunscreen on before dropping off your child at school.

Thank you for all your love and support!

Ms. Taylor

Pre-K Downstairs and Upstairs

Dear Pre-K families,

The weather may be hot, but we're staying cool so far! We are moving on to our lessons for July which include a big theme on the beach, ocean, and the rain forest. We're excited to share these popular subjects with the kids!

Note that we will be closed on Monday for the Fourth of July.

Friday, July 29, we will be having our annual Going Away Party for our rising kindergartners. This is our most important party of the year and families are definitely invited so mark it on your calendars. This is a fun time for all our students! More details to come.

Please make sure your child wears comfortable, well-fitting shoes and weather appropriate clothing. We will go outside unless it is above 95° or storming.

Lastly, thank you all for your support; it helps more than you can know. We appreciate you!

Ms. Shawn, Ms. Jennifer, and Ms. Emily
