UTC Children's Center Battle Academy

Infants

Dear families,

I hope everyone had an amazing August! Summer is coming to an end with the beginning of fall on the 22nd so Happy Fall, everyone!

We learned about all kinds of animals last month. The kids really enjoyed hearing the different sounds animals can make. We also had fun celebrating Price's first birthday!

This month our theme will be "All About Me"! In this unit, we'll be learning more about ourselves and others. We have two birthdays to celebrate in September. Jameson will be turning one on the 12th and Tucker will be one on the 21st. Happy 1st Birthday to Jameson and Tucker!

The center will be closed for Labor Day on Monday September 5th. As always, if you have any questions or concerns, please feel free to contact Ms. Becca or me. I hope everyone has a super September! Thank you!

-Ms. Kelly & Ms. Becca

Young Toddlers

Dear Parents,

This month we will begin our food units and hopefully, start some fall leaves/colors units depending on the weather. We will start with apples and corn. From there we will see where the children's interests lead. We may have a short list of food items that you can get for us during your weekly shopping. We'll have a sign-up list on the classroom door. Our first two weeks will be about apples and all the different things we can make and eat using apples.

Have a great month,

Ms. Ann and Mr. TK

Older Toddlers

Dear Parents,

For the month of September, the Older Toddlers will be working on their ABCs and numbers. We will work on recognizing our names, the letters in our names, writing our names, and counting and recognizing numbers. Make sure you look for your child's artwork in the classroom and outside at the park. Our class loves to be outside so we will be taking advantage of the nicer weather and writing with chalk outside.

We will also be continuing our theme from last month and working on self-help skills and manners.

Thank you for your support.
Ms. Amy and Mr. Ben

Preschool

Dear Parents,

Preschool has had a great summer but we look forward to welcoming fall on September 22!! The units for the month of September are:

- Farm
- Farm animals
- Fruits and vegetables
- Fall

The Preschool children will discuss different types of farm animals and will participate in making butter, shucking corn, and playing in corn meal. Your child will create a fruit salad, identify different types of fruits and vegetables, and discuss the season fall.

As always, thank you for your support!

Ms. Jean

Pre-K

Dear Families,

August was a busy month! We said goodbye to the last of our Kindergarten friends, built towers and roads, sculpted with modeling clay, made up games, drew and painted and stamped pictures, danced, and sang, and more! In September we welcome Adam and Henry to Pre-K!

Please let me know if you have any questions or concerns.

Thank you,
Anna

UTC Children's Center Brown Academy

Infants

You guys have been so awesome this past month; I can't thank you enough for your love and support! This month we will be talking about transportation and colors! I also wanted to say a big "HAPPY BIRTHDAY" to Jude!!

Katie

Toddler 1

Hello T1 Family,

September is here. This year is almost over already. We enjoyed summer, and we are looking forward to fall. Nevertheless, the month of August was a fun month with learning about family and friends. For the month of September, we will focus on fall weather, fall leaves, fall colors, and fall foods. Parents, please remember to have a complete set of weather appropriate clothes in your child's bag.

Thank you for all you do for Toddler 1! As we always say, if you need anything. Please don't hesitate to ask!

Thanks!

Ms. Jameshia, Ms. Emily, Ms. Diana

Toddler 2

We are so excited to have Ms. Jasmine join our staff as our T2 assistant! This month we will be talking about the beautiful season of Fall and amazing apples!

Thanks, Ms. Shawn, Ms. Jennifer, and Ms. Jasmine

Preschool 1

Dear Preschool One Parents,

Hello September! This past month we had a lot of fun learning about camping, farm animals, and ice cream. We have had an awesome summer of fun, but we are ready to start transitioning to fall (hopefully the weather will join us).

This month we will be learning about the letters in our names, apples, and fall. We will need some supplies for these lessons, so please keep a lookout on Bloomz for a sign-up sheet. We will have science experiments with our apple unit, and some yummy taste tests. Fall is always an exciting time to learn new things, and we are excited to get to it!

Reminder: The Center will be closed on September 5th, 2022 for Labor Day.

If you have any questions, please let us know!

-Ms. Beth and Ms. Ashley

Preschool 2

We had so much fun in the month of August! We learned all about going back to school and how we are all different in our own special way! We will begin the month of September with our outer space unit and end it with our Farm unit!

Ms. Taylor

Pre-K Downstairs and Upstairs

Dear Pre-K families,

We have said our farewells to our students leaving for kindergarten and other schools, and are settling in. We are still trying to determine which Brown Academy related arts we will be able to have this school year. As soon as we find out we will fill you in.

Our lessons for September will include space and autumn. We hope to go on a field trip to the Challenger Center on the UTC campus later in the month to learn more about space. This is always a great experience for the children. More information is to come.

Please make sure your child wears weather appropriate clothing. Also be sure your child's extra set of clothing is weather appropriate as well. We go outside unless it is above 95 degrees or storming.

Thank you,

Ms. Jennifer and Ms. Shawn
