Pre-K: Shawn Winters, Kayla McFadden
Staff Floaters: Macaria Hudson, Millie Tramble
Administrative Specialist: Jackie Tate

UTC Children's Center Battle Academy

Infants

Dear families,

I hope everyone had an awesome August! Summer is finally coming to an end! Last month, we learned all about a lot of different animals. We had fun celebrating Sofi's first birthday, and we said our goodbyes to both Lake and Sofi as they moved up to YT. We'll miss you two, but we know you'll have fun in your new class with your new friends and teachers.

For the month of September, our unit will be about "All About Me"! We'll be learning more about ourselves and others! We have a birthday to celebrate on September 20th, Happy 1st Birthday, Cross! We'll also be welcoming both Raeleigh and Collin and their families to our class. We're so happy to have you guys join us!

Please remember that we have a half-day on September 1st and are closed for Labor Day on September 4th. As always, if you have any questions or concerns, please feel free to contact me. I hope everyone has a super September! Thank you!

-Ms. Kelly

Young Toddlers

Dear Parents,

This month we will begin our food units and hopefully start some fall leaves/colors units depending on the weather. We will start with apples and corn. From there we will see where the children's interests lead. We may have a short list of food items that you can get for us during your weekly shopping. We'll have a sign-up list on the classroom door. Our first two weeks will be about apples and all the different things

we can make and eat using apples.

We have a lot of changes in YT. We said goodbye to Parker, Frances, and their families as they transitioned to new schools, and goodbye to Madison, Reece, Scotland, and Chaira as they moved up to OT. We are also excited to welcome Lake and Sophia to YT from the Infants room.

Have a great month,

Ms. Ann and Mr. TK

Older Toddlers

Dear Parents,

For the month of September, the Older Toddlers will be working on their ABCs and numbers. We will work on recognizing our names, the letters in our names, writing our names, and counting and recognizing numbers. Make sure you look for your child's artwork in the classroom and outside at the park. Our class loves to be outside so we will be taking advantage of the nicer weather and writing with chalk outside.

We will also be continuing our theme from last month and working on self-help skills and manners.

Thank you for your support.

Ms. Amy and Ms. Sheyla

Preschool

Dear Parents,

Preschool has had a great summer, but we look forward to welcoming fall on September 23rd!! The units for the month of September are:

- Farm
- Farm animals
- Fruits and vegetables
- Fall

The Preschool children will discuss different types of farm animals and will participate in making butter, shucking corn, and playing in corn meal. Your child will create a fruit salad, identify different types of fruits and vegetables, and discuss the season fall.

Congratulations to the Mouton Family! Everett is a big brother. Baby Mac has arrived. We are so happy for this family!

As always, thank you for your support!

Ms. Jean and Miss Nardia

Pre-K

Dear Families,

As we move through the months, we want to inform our parents that Ms. Alice will be our day-to-day person to contact within Pre-K as we interview for the Pre-K lead teacher. Ms. Jameshia will be in and out to help as much as she can, and we appreciate your patience and understanding at this time. I hope everyone has a fantastic September!

Thank You!!

Lanxia (Alice)

UTC Children's Center Brown Academy

Infants

Dear Families,

We hope everyone has had an awesome August. We talked about our favorite topic, ourselves! This spectacular September we will talk about Fall.

We are always sad to see friends go, but we would like to wish Owen and his family all the best as they move to new opportunities, and we would like to wish Harrison, Jack, Jenna, and Merritt a totally terrific Toddler One experience.

Katie & Tiffany

Toddler 1

Dear Parents,

We had a wonderful time learning about friends, family, and all about me during the month of August. For this month we plan to cover community helpers, the farm, and apples.

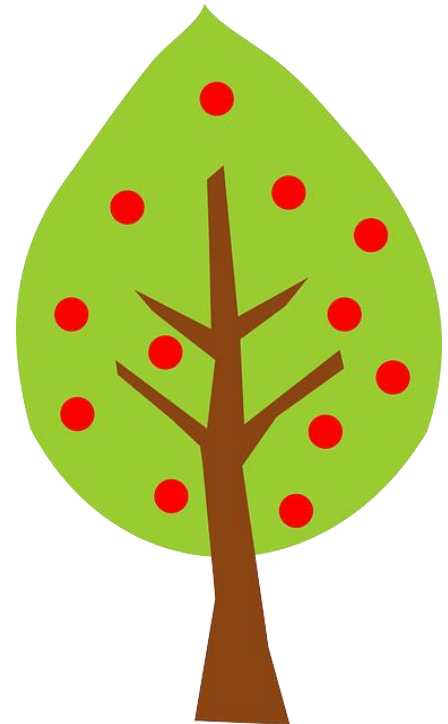

We are sad to say goodbye to our friends Quilyn, Dempsey, Carter, and Jude, but we know they'll do great in T2! We are also excited to welcome our new friends from infants Jack, Merritt, Jenna, and Harrison.

Reminder the center will be closed on Monday September 4th for Labor Day.

As always if you have any questions or concerns feel free to reach out.

Thanks,

Ms. Emily and Ms. Veronica

Toddler 2

Dear Toddler 2 Parents,

This month, Dewayne, Harper Millie, and Sophie will move up to Preschool 1. We will miss them, but we know they are ready and will have so much fun in their new classroom. We will also have new friends joining our class. Carter, Dempsey, Jude, and, Quilyn will be joining us from Toddler 1. Please help us to make them feel welcome as they adjust to their new surroundings.

We will be learning about space, astronauts, and fall this month. Space is one of my favorite things to teach, and the children really enjoy it. We have a lot of fun decorations and activities planned for this. Please let us know if you have any questions or concerns.

General info:

If there are any illness or covid exposures we will let everyone know as soon as we find out, through Procure and email.

Please be sure to keep two full sets of extra clothes at school for your child.

UTC Children's Center will be closing at 12 noon on Friday, September 1st for teacher in-service. Please try to pick up your child by then so that the teachers can get to in-service meetings on time.

Parent-teacher conferences should be coming up again in the next few months.

Thank you,

Ms. Jasmine and Ms. Jennifer

Preschool 1

Dear Preschool One Parents,

Hello September! This past month we had a lot of fun learning about camping, farm animals, and ice cream. We have had an awesome summer of fun, but we are ready to start transitioning to fall (hopefully the weather will join us).

This month we will be learning about the letters in our names, apples, and fall. We will have science experiments with our apple unit, and some yummy taste tests. Fall is always an exciting time to learn new things, and we are excited to get to it!

Reminder: The center will be closed on September 4th, 2023, for Labor Day.

If you have any questions, please let us know!

-Ms. Ashley and Ms. Sydney

Preschool 2

August was a month full of fun and learning! In September, we will learn all about outer space, animals that live on the farm, and all things fall! Don't forget that your child may bring a water bottle to keep in their cubby!

Pre-K

Dear PreK families,

We have said our farewells to our students leaving for kindergarten and other schools, and are settling in. And we welcome our new students: Austin, Julie, Oran, Pace, and Rhett, all from PS2.

We also welcome Ms. Kayla as our full time assistant. She comes to us from PS2 as well. We're very happy to have her!

Our lessons for September will include space and autumn. We hope to go on a field trip to the Challenger Center on the UTC campus later in the month to learn more about space. This is always a great experience for the children. More information is to come.

Please make sure your child wears weather appropriate clothing. Also be sure your child's extra set of clothing is weather appropriate as well. We go outside unless it is above 95 degrees or storming.

Thank you,

Ms. Shawn and Ms. Kayla
