UTC Children's Center:

As many of you are aware, the UTC Children's Center is proud to announce the opening of our third site located at Lookout Street and Riverside Drive. We are all working very hard to make sure the transition from this former Siskin Early Learning Center to the UTC Children's Center is as easy as possible for all involved parties. Next month the third site will also have their articles included in the monthly newsletter.

-Cindy

UTC Children's Center Battle Academy

Infants

Dear families,

I hope everyone had a super September! Happy Fall! Last month, we learned all about ourselves and others. We had fun celebrating Cross's first birthday. And we said our goodbye to Alijah as he moved up to YT. We'll miss you buddy, but we know you'll have fun in your new class with your new friends/teachers.

For the month of October, our unit will be all about celebrating the fall season! We'll be focusing on fall weather/clothing, leaves, pumpkins, and more! We'll also be working on some fall/Halloween art. We have two birthdays to celebrate on October 7th and October 15th, Happy 1st Birthday Lucy and Ava! We'll also be welcoming both Magnolia and her family to our class. We're so happy to have you guys join us!

As always, if you have any questions or concerns, please feel free to contact me. I hope everyone has an outstanding October! Thank you!

-Ms. Kelly

Young Toddlers

Dear Parents,

The children had a great deal of fun learning about Apples, Corn, and Spanish Heritage. The month of October will also be a fun one for our toddlers. We will be making a scarecrow, playing with hay, experimenting with several types of gourds, opening a pumpkin to see what is inside, and cooking and eating pumpkin seeds and pumpkin muffins. Please keep an eye out for sign-ups to bring grocery items.

We are welcoming a brand-new Toddler from Infants, Alijah and one from the community (and a former family with an older child) We will be a

remarkably busy room!

Gentle Reminder:

Please check your child's backpack for cooler weather, spare clothing and a jacket to stay at school in case it gets cooler than expected for outside time.

Ms. Ann and Mr.TK

Older Toddlers

Dear Parents,

For the month of October, the Older Toddlers will be learning all about fall. We will focus on a different fall food(s) each week.

During our fall foods unit, we will be tasting and exploring some different foods. We will need parents to help with this unit by bringing in the foods we will be discussing. Besides just tasting the foods, we will be

examining them, discussing their colors and sizes and even counting them.

Thank you for your support.

Ms. Amy and Ms. Sheyla

Preschool

Dear Parents,

Welcome Fall!! What a great time of the year! We are looking forward to cooler weather, leaves changing colors, and going on nature walks. The many themes we will be discussing for October are fall, fire safety, apple tasting and pumpkin decorating. So much fun to come!

Preschool would like to welcome our new friends Grey Robinson, David Hammitt and Sawyer Barto to the classroom!

Preschool is excited to go to the Fire Department. More information to come at a later date.

Thank you for the great turnout for Parent Teacher Conferences. I always enjoy meeting with you.

As always, thank you for your support!

Ms. Jean and Ms. Nardia

Pre-K

Dear Families,

As we move through the months, we want to inform our parents that Ms. Alice will be our day-to-day person to contact within Pre-K as we interview for the Pre-K lead teacher. Ms. Jameshia will be in and out to help as much as she can, and we appreciate your patience and understanding at this time. I hope everyone has a fantastic September!

Thank You!!

Lanxia (Alice)

UTC Children's Center Brown Academy

Infants

Dear Families,

IT'S FALL Y'ALL!! It is time for some of my favorite units! This month, we will be talking about Fall, Leaves, Imaginary Creatures, and Nocturnal Animals! We will end October with our annual Nocturnal Animal Party and costume day!

I know with our third site opening this month, most of you have questions and hear rumors, so I would encourage you to ask one of our coordinators or ask me and I can check before you put much stock in any rumors you hear.

As you have probably noticed we have been making a few updates to our classroom, so if you see anything that you think doesn't work or you have any ideas of how to make something work better, don't hesitate to let us know!.

Katie & Tiffany

Toddler 1

Dear Parents,

September was a lot of fun for our friends! We enjoyed learning about community helpers, farm, and apples! For the month of October, we plan to cover fall weather, pumpkins, and the colors orange and black. Looking forward to the activities this month and hopefully the fall weather!

As always if you have any questions or concerns, please reach out!

Thanks, Ms. Emily and Ms. Veronica

Toddler 2

Dear Toddler 2 Parents,

It's so hard to believe that it's already October! This month, we will be learning about apples, pumpkins, nocturnal animals, and imaginary creatures. There are so many fun activities to do around these themes. We will be having a fall party on Friday, October 27th at 3:30. We will post a sign-up list closer to the day, if you would like to help out by

bringing refreshments. Feel free to join us in the classroom for this, but if you can't we will be sure to post many pictures!

As most of you know, we have acquired a third site. Ms. Jasmine and/or I may be pulled there periodically to help get things set up and people trained.

Here are just a few reminders:

- Please be sure to keep a full set of clothes at school for your child. We will try to let you know when they need anything. If they borrow school clothes to wear home, please try to return these as soon as possible.
- When the weather gets cooler, please try to send your child in a jacket. We are required to spend one hour outside each day, unless it is inclement weather, under 32 degrees or over 95 degrees Fahrenheit.
- If we have inclement weather closings, we will try to let you know in advance as much as possible. Please sign up for UTC text alerts and these will keep you informed, as well. We close with UTC, not Hamilton County.

Thank you,

Ms. Jasmine and Ms. Jennifer

Preschool 1

Dear Preschool One Parents,

Fall is here, and we have been learning so much! In September we learned about our letters, apples, and the season of fall. We had some fun science experiments and taste tests with our apple unit.

In October, we will learn about lots of new things! We will talk about shapes, things that go, pumpkins, and Halloween. On Tuesday, October 31st, we will have a class Halloween party (and the kids can come to school in their costumes!), so be on the lookout for a sign-up sheet!

We are excited to keep learning this fall, and if you have any questions, please let us know!

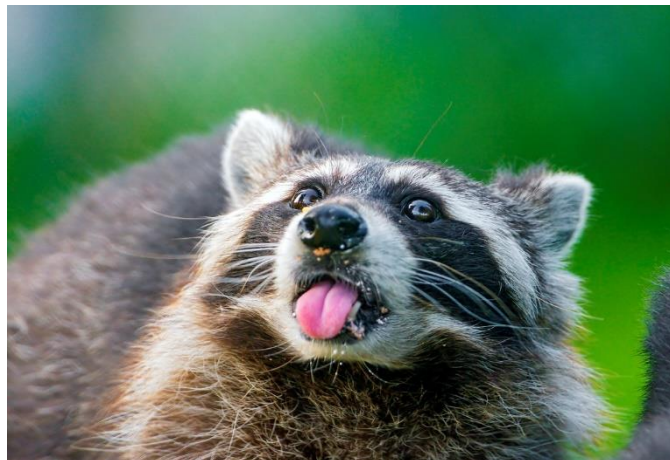

-Ms. Ashley and Ms. Sydney

Preschool 2

Dear Parents,

September was a month of fun, learning about Outer space, Animals that live on the Farm, and The Four Seasons. During the month of October, Preschool 2 will be learning about Trees, Apples, Pumpkins, Nocturnal Animals, and All Things Spooky! During our Apple Unit (10/9-10/13), we will have a special apple treat to try each afternoon throughout the week! The sign-up sheet to bring an apple treat will be posted outside of our classroom door the week before!

Pre-K

Dear PreK Up families,
Autumn has begun, and we are so excited for cooler weather and fun!

What fun we had on our annual field trip to the UTC Challenger Center! We rode the Mocs Express to and from the Center and learned so many things about space. It was a perfect addition to our outer space unit.

In October we will be learning about pumpkins, nocturnal animals, imaginary creatures, and more.

Please make sure your child wears weather appropriate clothing. As the seasons change so does the weather. Be sure your child's extra complete sets of clothing including shoes and socks are weather appropriate. We go outside unless it is below 32 degrees or above 95 degrees.

As always, we are grateful and thank you for all you do for our class. You are awesome!

Ms. Shawn and Ms. Kayla
