_____ National Organization for Victim Assistance provisional credentialing (fee of \$100)

***TN Coalition staff will guide you on the process of applying for these credits.*

NOTE: Please acknowledge that you understand that in order to register for CRMJ 4010 or 5320, you must attend the entire victim academy from June 5 to June 10th. Part of this course involves interactions with non-UTC students through your participation in the Tommy Burks Victim Assistance Academy. More specifically, students will be in a physical classroom for the week of the academy with non-UTC participants and instructors. These non-affiliated UTC individuals will be aware of UTC students' identities (i.e., names) and participation in the CRMJ course(s). The course itself is online and will begin May 18th and run through June 28th in accordance with the university academic calendar (for summer Term 1). By returning this application, you are certifying that you understand this information and agree to these conditions for the class. If for any reason you do not attend the victim academy, you will not be able to receive a passing grade in the course.

Application Due Date: April 22nd, 2022
