Coordinator's Corner (battle)

Summer Kickoff Friday, June 18th

Aloha Summer! We will be having a Luau themed Summer Kickoff on Friday, June 18th for the children during the regular school day. We will have different stations, activities, and special treats throughout the day. You are welcome to send your child(ren) dressed in luau getup. We are still unable to allow guests in the building, but parents are welcome to contribute to this fun-filled day and we will make sure to take lots of photos to share.

Announcements From Mrs. Doreen

- If someone is coming to pickup your child(ren) please notify the Center and make sure that we have written consent on file with the name(s) listed of those who will be picking up your child(ren).

Reminders

- You must call the center at 423-498-6865 if you are dropping off after 8:30am or picking up before 4pm
- Make sure that we always have your child's most current Certificate of Immunization and Physical date.

Mark Your Calendars

- Friday, June 18th: Summer Kickoff
- Sunday, June 20th: Father's Day
- Sunday, June 20th: First Day of Summer

Have a joyous June!

-Stephanie

infants at battle

Parents,

Last month we celebrated Mother's Day and Memorial Day. Our friends, Ella and Emmalee, moved up into the YT. We'll miss you two! We even got a new friend by the name of Elliott. We welcome Elliott and his family to the Infant Room at Battle!

This month we will be celebrating Father's Day and the start of summer. Parents please bring in the appropriate attire and sunscreen for outdoor play and walks. We will also have water play this month so make sure you bring in an extra set of clothes. We will give you a heads up on the days that we will have water play.

Please feel free to call or email me or Ms. Kelly if you have any questions or concerns. I hope everyone enjoys the start of summer!

Ms. Tomica & Ms. Kelly

young toddlers at battle

Dear Parents,

This month we are exploring Beaches, Water, Ocean Animals, and Oceans. We would love to get some pictures of the beach if that is where you take your family vacation. We would like to make a vacation book with pictures of all the places our families visit (doesn't have to be the beach).

We will be having our annual Summer Kick-Off on Friday, June 18th. It will look very different this year because our families can't participate and the classes can't mingle. Each class will be celebrating in their own room and on the playground during their outside time. Keep an eye out for a wish list of some items that we will be using on that day.

We will be starting outdoor water play on Fridays. Rather than wrestling the children into and out of swimsuits we just get good and wet in our school clothes. So please be sure there are plenty of outfits in your child's cubby bag. Weather permitting we will get nice and wet.

Thank you so much for all of your thoughtful presents, treats and cards during Teacher Appreciation week.

Have a great June,

Ms. Ann, Ms. Addie, Ms. Meg, and Mr. TK

Older Toddlers at batlle

Dear Parents,

For the month of June, the Older Toddlers will be learning all about animals. We will start this unit by discussing pets and then move on to discussing animals you would see at an aquarium, on the farm and at the zoo. During this unit we will learn where animals live, how to take care of animals and how to treat our pets.

Thank you for your support of our room and everything we do!!

Ms. Amy and Mr. Ben

Preschool at batlle

Parents,

We learned so much about different kinds of animals last month. We had fun washing mud off of pigs, making crafts out of animal feed, and learning about the different things that animals do for us and the environment. We also loved learning more about each other by talking about our pets and seeing pictures!

This month we will be kicking off summer and learning all about it. We will talk about:

- Summer activities
- Ocean animals
- Beach life
- Camping

We will have a lot of water play and picnics as the weather warms up. On that note, please send summer weather extra clothing! We would like a bathing suit and towel to be kept at school for fun Fridays if possible. This includes water shoes, sunscreen, and hats (if needed).

We would also like to go ahead and wish all of our fathers a Happy Father's Day! Happy Birthday to Jeriel, Silas, and Ms. Jean!

-Ms. Jessica & Ms. Jean

Prekindergarten at battle

Dear Families,

We had a lovely May, and now it's June! This month, we explored and mixed and painted with colors, watched birds build their nest, dissected flowers, made messes, drew monstrous creatures, played board games, and made our own mountain!

We've got a great month coming up! If you have any questions or concerns, please don't hesitate to let us know.

Thanks,
Anna and Katy

Infants at Brown

Wow I can't believe it is already June; this year is flying by. I want to give an extra special "thank you" to everyone that has helped out making our garden look so beautiful especially Ms. Mandy! The infants have enjoyed watering the garden every day; they all deserve a pat on the back. We hope to have some vegetables ready for harvest soon!

We will be having conferences this month! I'll send an email out soon with details about when and how to sign up on Bloomz.

We had an awesome time learning about animals, safety, and our bodies in May! This month we will be learning about space: the final frontier, the 5 senses, and summer!

Last but not least, we have 1 birthday this month. Happy Birthday, Emma!!

-Katie and Sharon

Toddler 1 at Brown

Hello T1 Family!!!!

Toddler One is ready for the hot weather. For the month of June we will continue talking about our numbers and start on some summer activities and get ready for Water Days!! Please check Bloomz the first week of June. I will have all the information of what the child will need and when Water Day will take place. If you have any questions please do not hesitate to contact me.

T1 Crew!

Ms. Jameshia, Ms. Jada, Ms. Jordan

Toddler 2 at Brown

The sun is shining and summer is upon us!! June is going to be a great month. During this month, we will enjoy camping, cooking, nature walks, and art projects. We are very excited about this month and look forward to tons of summer time fun.

Our themes for this month are:

Camping

Summer Colors

Welcome Summer Fun

Water Fun

This month, we will sadly be saying goodbye to Kingston Beasley. Help me welcome our new friend! This month we are welcoming Sam Hartline and his family.

Lastly, we would like to say Happy Father's Day to all our Dynamite Dads!!!

Join me in wishing Ms. Cheyanne success in her new employment opportunity. She left us at the end of last month.

Please let me know if you have any questions or if I can assist you in any way.

Mrs. Kathy

Preschool 1 at Brown

Dear Preschool One Parents,

Happy June! Summer is quickly approaching and we are excited to see what it brings. In May, we had a great time learning about birds, frogs, and our five senses. Also, thank you for everyone who participated in teacher appreciation week. We are thankful for you!

This month we are going to learn about a lot of new things! First we will be talking about space. We will then learn about a class favorite subject, dinosaurs! After that we will welcome in the new season of summer by learning all about it.

In June we will also start having water days! Students will need sunscreen, towels, and bathing suits. You can also bring items like hats and water shoes if desired. An email will be sent with specific details for dates and times.

If you have any questions, please let us know!

-Ms. Beth and Ms. Ashley

Preschool 2 at Brown

Dear Preschool 2 Parents,

Thank you so much for all the encouragement and treats during Teacher Appreciation week! We both feel much appreciated!

This month we will be learning about Camping, Pirates, and America's Birthday! We will also be starting our Water Day beginning on Friday the 11th.

Our water day will be every other week on Fridays from 10:00-11:30 ish. I have sent home a water day schedule but let me know if you need another copy. Your child will need a swim suit, sunblock, a towel, water shoes (the sidewalk can get hot on little feet J), and a bag for their clothes on these days.

*If you could please send your child to school on water days already in their swim suit with sunscreen applied this helps us a LOT with getting everybody ready for water day. Also please label everything! We will wash their wet clothes and then send them home.

We will be having an "America's Birthday Party" next month on the Friday 2nd. I will be posting a party supplies list on Bloomz soon! Thank you in advance for your help!

Just a reminder- Sunscreen cannot be kept in the children's bags so if you send some to school please hand them to a teacher so we can put them out the children's of reach. This is a license requirement, and this also applies to anything with the labeled "keep out of reach of children".

Thank you, dads, for all you do, we hope you have a very happy Father's Day!

Let me know if you have any questions or concerns.

Mrs. Leah and Mrs. Kimberlee

Prekindergarten (up & down) at Brown

Dear PreK families,

It's getting hot! This means great activities during the summer. Keep an eye out for details.

In May we enjoyed learning about bugs, frogs, reptiles, and dinosaurs. This last topic was a huge hit! In June we will be discussing our emotions, camping, and more.

Big news! PreK Up and Down will be heading upstairs to PreK Up's classroom in June. We will still be combined but will have more space, practice using the big kids' bathroom down the hallway, and have some different things to play with. Our daily schedule for now will still be the same.

PreK said goodbye to Will (PKDown), and welcomes Aubrey and Izzy (PKUp) back for the summer starting June 1. We will miss Will and wish him a wonderful summer before kindergarten!

Please be sure that your child wears weather appropriate clothing including comfortable shoes. Every child needs a complete change of clothing (weather appropriate and fits) to keep in their cubby for emergencies.

Thanks for all of your support!

Ms. Shawn, Ms. Jennifer, and Ms. Shelby
