No anticipated impact.

Full Proposal

a. A description of the change

Deleting a statement in the course prerequisites for BMGT 310, Business Communication (3)

No anticipated impact.

Full Proposal

a. A description of the changes

Adding course prerequisites to BMGT 410, Industrial Relations (3), BMGT 411, Government Regulation of Human Resource Management (3), BMGT 434, Human Resource Management Staffing (3), BMGT 435, Compensation and Benefits Management (3), and BMGT 444, Strategic Issues in Human Resource Management (3)

b. A rationale for the changes

Requiring a grade of C or better in BMGT 332 for these five BMGT courses will provide students with a stronger foundation for their future human resource courses.

Because BMGT 411 covers many legal topics, it is reasonable to add BUSA 335, Legal Environment of Business (3) as a prerequisite.

Because BMGT 435 requires a knowledge of regression topics, it is reasonable to add BMGT 212, Statistical Methods for Business II (3) as a prerequisite.

c. An analysis of the economic and pedagogical consequences

No economic consequences. Pedagogical consequences – for the addition of prerequisites, students will need to make sure they meet the required prerequisites.

d. An analysis of how the proposal relates to requirements and resources in other departments or programs

No anticipated impact.

e. The original text to be modified
