Revised 2/16/2007
Remove time when course will be taught from course description for all Biology/Environmental Science courses:

Currently
Most Biology/ESC courses have times offered in the course descriptions, e.g. every semester, on demand, spring semester alternate years, fall semester alternate odd years, fall or spring semester, etc.

Proposed Change
Remove time when course will be taught from course description for all Biology/Environmental Science courses:

ESC 150, 151, 199r, 225, 226, 240, 250, 340, 360, 401, 404, 406, 407, 410, 430, 440, 455, 460, 465, 466, 475, 480, 481, 482, 483, 484, 490, 491r, 495r, 496r, 497r, 498r, 499r

Rationale
We are not able to offer many courses at times stated in the catalog. This is misleading and confusing to students as they try to make their course schedules.

Effect of Course on the Departmental Program
None

Relation of Course to Other Departments
None
