

Getting your own copy of SPSS

All University of Tennessee students may download a copy of SPSS. This copy is paid for by a UT site license. It will be usable until June 30.

To get download a copy, go to <https://webapps.utk.edu/oit/softwaredistribution>

To download from this site, you must be a UTC student with no unpaid fines.

You must download two files . . .

1. The How to How to Install SPSS products pdf
2. The SPSS program appropriate for your computer – Windows or Mac.

After you've downloaded both documents, **READ THE HOW TO INSTALL** document.

When installing SPSS, you should choose the "Site License" option.

If you have trouble, please call the UTC Helpdesk at 423-425-4000.
