Dear Dr. Titus V. Albu,
Greetings from Applied Science-2019 Congress!!

We feel honor to contact you, to know your Calendar status for the upcoming “3th World Congress on Applied Science, Engineering and Technology” which will be held on October 07-09, 2019 at Dubai, UAE.

The purpose of this Invitation letter is to solicit your gracious presence as an Honorable Keynote Speaker. As a Keynote Speaker, we believe that your talk on Applied Science, Engineering and Technology topics in specific will be of great benefit in this meeting. We would be grateful if you take part in the event and share your expertise on the topic with our participants. Your knowledge would be an excellent addition to our program and share for the next generations.

Considering your profile, and based on your excellent continuous research in the area of Applied Science, Engineering and Technology, we would like to take the privilege to enquire if you can join for Keynote talk at Applied Science-2019 congress. Kindly inform us your opinion and availability for the same.

Please find the attachment of our conference brochure and to know more about the conference PS: https://scientificfederation.com/applied-science-2019/

Benefits:
1. This Conference will discuss the latest and most important topics in the field Science and Technology with the participation of a distinguished Speaker from all over World.
2. The Expected Attendees *100+* from all over world.
3. Discussion of the most important topics by Eminent Speakers from all universities.

Join the discussion panel by securing your slot with Abstract Submission. Submit your abstract along with short biography and latest photograph at: https://scientificfederation.com/applied-science-2019/abstract-submission.php

For more questions about topics, deadlines, please do not hesitate to contact me. I am looking forward to your interest in participating as speaker for oral/ poster presentations.

With Best Wishes,
Raj
Conference Secretary

If you don't want to receive any further e-mail from AppliedScience-2019, please revert back with a subject UNSUBSCRIBE
Dr. Titus V. Albu:

To showcase the latest discoveries, developments, mechanisms, production and market in Pharma, we are announcing “Second International Conference on PharmScience Research & Development” scheduled in Los Angeles, CA, USA during February 24-26, 2020.

Pharma R&D-2019: https://www.pharma-rd.com/

We would like to know the availability of you and your team to attend and give podium/poster presentation at Pharma R&D-2020.

Key Feature:

Pharma R&D-2020 provides an opportunity to all the registered participants to publish their full-length articles (after completion of review process) as Conference Proceedings in Scopus Indexed Journal.

Please let us know if you are not interested, so that we will not follow-up again.

Best regards,
Heidi B
Conference Manager
Pharma R&D-2020

Dear Dr. Titus V. Albu,

Greetings
Hope this email finds you in best of health & spirit.

We take the privilege to invite you to attend “World Congress on Chemistry” during August 19 - 20, 2019 at Sunway Putra Hotel - Kuala Lumpur, Malaysia. The theme for Chemistry 2019 is “Delving into advances in Chemistry Research and Innovations”.

Renowned Speakers @ WCC 2019:
- Ravindra K Pandey - Professor, Roswell Park Cancer Institute, USA
- Michael Thompson - Professor, University of Toronto, Canada
- Stuart Taylor - Professor, Cardiff University, UK
- Niranjan Parajuli - President, Nepal Chemical Society
- Jyh-Chiang Jiang - Professor, National University of Science and Technology, Taiwan
- Sambasivarao Kotha - Professor, Indian Institute of Technology Bombay, India

Highlights of WCC 2019:
- Abstracts will be published in International Journal with DOI provided by Cross Ref. (Indexed in Index Copernicus/ Google Scholar/ Cnki/ J-Gate/ WorldCat/ Journals/ i-Focus/ Scilit/ RePEc/ DOAJ indexed in supporting Journals)
- Post Conference Tour of Kuala Lumpur
- Young researchers’ forum
- Certification by the International Organizing Committee.
- Opportunity to organize Workshops and Symposia.
- Opportunity for collaboration and Network with Leading Chemistry Experts
- Opportunity to attend Concurrent events Pharmacology 2019 and BioHe 2019

For more kindly visit: https://www.chemistrycongress.org/

To join your peer researchers, you are requested to submit your abstract proposal to contact@chemistry2019.org on before June 30th, 2019

We hope to see you in Kuala Lumpur, Malaysia.

Best Regards,
Dr. Nancy Alberta
Dear Dr. Titus V. Albu,

On behalf of the Scientific Federation, all of us have the pleasure to cordially invite you to joining us as an Organizing Committee Member & Invited Speaker at our upcoming meeting “3rd World Conference on Analytical & Bioanalytical Chemistry”, will be held during July 16-17, 2020 at Las Vegas, USA. This meeting is a part of series of conferences organized by Scientific Federation, is expert-driven and is initiated to organize and facilitate proficient and international scientific conferences worldwide with associating the world class researchers.

This Meeting will be a great occasion for discussions of previous, present, and future research on “Analytical & Bioanalytical Chemistry”. It will provide an exciting scientific program, which will cover all aspects from the basics to their applications. It will be a great forum for students, postdoctoral fellows and established scientists from different countries to exchange ideas, and to broaden their knowledge. It will be an excellent occasion to meet researchers from around the world, widen professional contact and create new opportunities, including establishing new collaborations.

For further information and conference updates, please visit the conference website: https://www.scientificfederation.com/wcabc-2020/

Your contribution is important for the success of this meeting, and will be very much appreciated.

Looking forward to hear positive acknowledgement from you.

Please feel free to write to us.

Sincerely,
M Nagarjuna
Conference Secretary
WCABC-2020
Scientific Federation
Dear Dr. Titus V Albu,

Greetings from CSCE Dubai 2020!

We are glad to inform that the International Conference on Chemical Science and Chemical Engineering (CSCE) to be held on 20-22nd April, 2020 at Dubai.

The theme of the conference is “Recent Trends & Advances in the Field of Chemistry”.

For more details on scientific sessions, registrations and abstract submission, please visit our website:
http://cscedubai.org/
http://cscedubai.org/registration

We invite you to be as Speaker for the conference and the privileges for this position would include one-year membership benefits and a position as the chair/co-chair for the session of your interest and also you can suggest a session.

We take this opportunity to welcome you to be a part of this exciting program and event and make it a grand success.

Anticipating your active support and participation.

Note: We request you to attend the conference as a delegate if you are not interested as Speaker and also to suggest to your friends/colleagues/students for oral, poster and E-poster presentation.

If you wish to join as Organizing Committee Member to our Conference kindly send your CV and a recent photograph.

With Kind Regards,

Luna Masam
Chemistry 2020 Leadership & Committees
Dubai

If you do not wish to receive further emails reply us with the subject as Remove /Unsubscribe.
Dear Dr. Titus V. Albu,

We have sent you an email concerning your participation at IDDst2020, but haven’t received your reply yet due to unknown reason. Based upon your contributions to this field, I extend my invitation to you again to express our sincere wish for your participation. Thank you.

On behalf of the organizing committee, we are proud to present the 18th Annual Congress of International Drug Discovery Science & Technology -2020 (IDDst-2020) which will be held during July 15-17, 2020 at Amsterdam, the Netherlands. IDDst Group is delighted to welcome you to Present a speech on Studies on lysozyme modifications induced by substituted p-benzoquinones. Your prompt reply will be highly appreciated!

The 18th IDDst plans to shoot for 300+ participants in the industry, academia to provide unique insights into advances in breakthrough science and technology of drug discovery for future healthcare from 40+ countries. The concurrent conference is The 9th Annual International Symposium of Drug Delivery Systems (SDDS-2020).

There are 5 confirmed keynote speakers now:
Dr. Matthias von Herrath, Professor, La Jolla Institute; Vice President, NovoNordisk, USA
Dr. Dan Some, Principal Scientist, Wyatt Technology Corporation, Germany
Dr. Jing Li, Senior Vice President, WuXi Biologics, China
Dr. Balazs Sarkadi, Professor, Semmelweis University, Hungary
Dr. Hans-Dieter Volk, Professor, Charité-Universitätsmedizin Berlin, Germany

For more information, please visit the conference website at:
http://www.iddst.com/iddst2020

We are exceedingly proud and delighted to welcome you to Amsterdam to join our useful and stimulating congress!

If you have any question about the conference, please feel free to let me know.

Sincerely yours,

Ms. Irene Wang
Organizing Commission of IDDst2020
Dear Dr. Albu TV,

This is Alma, Program Coordinator of the WGC-2020. Please accept my apology if this email bothers you, as I have tried to send you this invitation in last months but without any response from you.

It is our great pleasure and privilege to welcome you to join the World Gene Convention-2020 (WGC-2020) conference, which will be held during June 7-9, 2020 in Osaka, Japan. On behalf of the Organizing Committee, we would be honored to invite you to be a chair/speaker at Session 6-1: Biocatalysis and Enzyme while presenting about Studies on lysozyme modifications induced by substituted p-benzoquinones. at the upcoming WGC-2020.

WGC had been successfully organized in Singapore, Macau, Shanghai, Qingdao in the last eight years. More than 3,000 famous experts and scholars from around the world have participated in our WGC. During previous conference, more than 300 speakers and 30+ poster attendees had presented their up-to-date research and made a fulfill communication on timely issues in the field of life science and biotechnology each year. Meanwhile, it has promoted the communication of colleagues and collaboration of partners in this field. With the kindly praise and suggestions from our participants, we are confident in organizing WGC-2020 which would be better and more successful!

Aiming to promote an international exchange of scientific knowledge and experience in the field of gene, life science, biotechnology and biopharmaceutical, the scientific program of WGC-2020 will include plenary/keynote lectures and session talks as well as poster presentations under 6 major themes, mainly focused on breakthroughs in gene, advances genomics & genetics, new research of DNA and RNA, focus on basic research, the frontier research of life sciences, new biotherapy discovery, emerging areas for medicine applications, robust technology development, and cutting-edge Biotechnology. We certainly believe that WGC-2020 will provide a variety of opportunities to exchange ideas and expertise as well as network with worldwide research groups.

We expect your precious comments or suggestions; also your reference to other speakers will be highly appreciated. We look forward to receiving your replies on the following questions:

1. What is the title of your speech?

2. Do you have any suggestions about our program?

For more detail of conference program:  http://www.bitcongress.com/WGC2020/  

In addition to the amazing conference, you will benefit from the wonderful experience in Osaka, Japan. Joining in WGC-Japan 2020, you will experience mythical nature and culture of this most developed country in Asia, such as Mount Fuji, Shrines and Temples, Hot Springs, Kimono, Traditional Drama, and Amazing Food.

We sincerely wish you can accept our invitation and join us to contribute your invaluable experience and knowledge at this magnificent conference. Look forward to hearing from you soon!

Sincerely yours,
Ms. Alma Yang
