

# STUDENT TUTORIAL: ASSIGNMENTS VIEW GRADE AND FEEDBACK

## WHY WOULD YOU USE THIS FEATURE:

Once an assignment has been submitted, students have the ability to view the assignment in the My Grades menu. This menu allows students to view their grades on certain assignments as well as any comments instructors have made on an assignment. The following tutorial will demonstrate how to access a submitted assignment and view your grade.

## HOW TO ACCESS SUBMITTED ASSIGNMENTS:

1. Access the main page within **Blackboard**.
2. At the main page, click **My Grades** in your course.

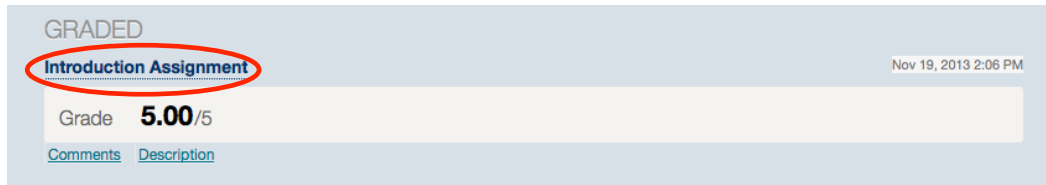

3. You will now be taken to a list of all items that your instructor has made available in their Grade Center. The My Grades menu displays a graded assignment's name, alignments, due date, last student activity, last instructor activity, grade, and comments from the instructor.

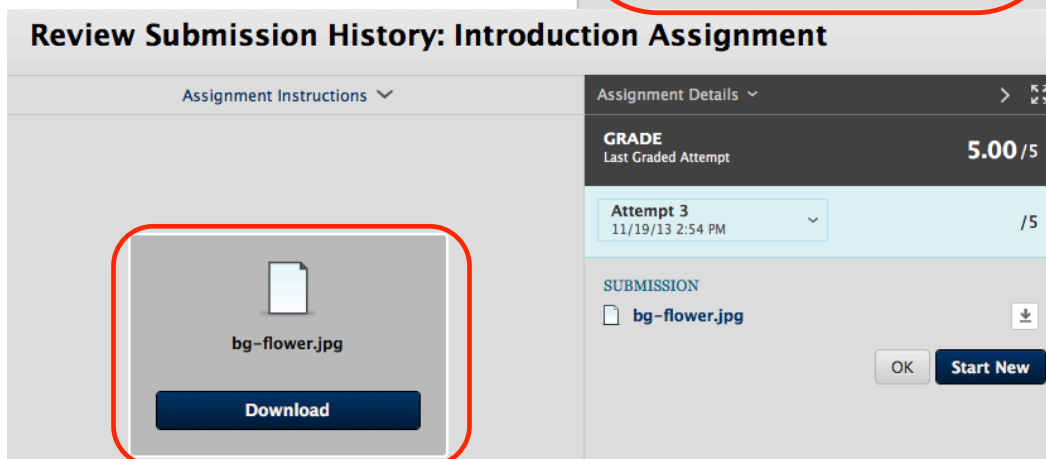

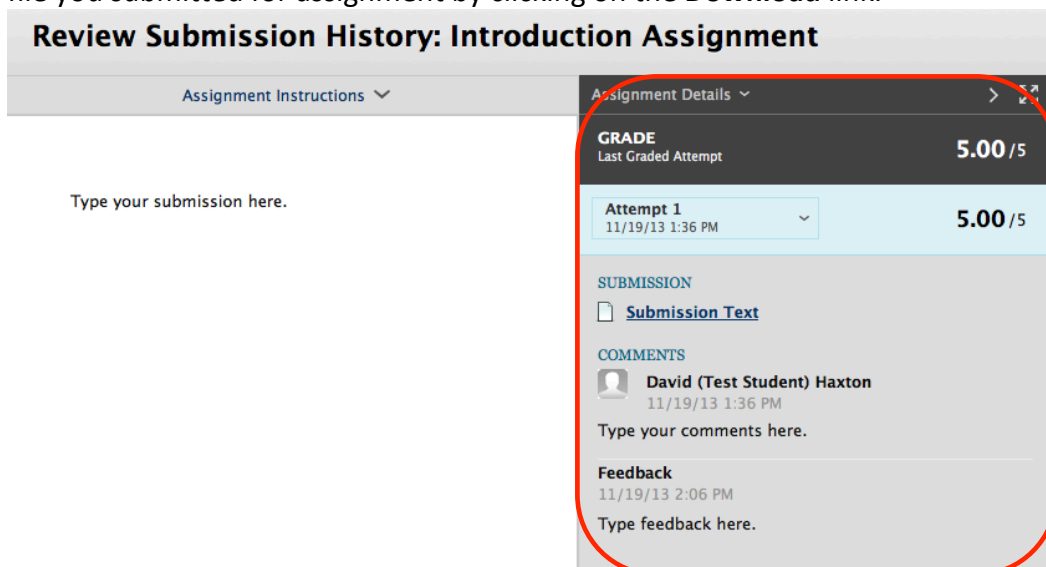

A screenshot of the Blackboard "My Grades" page. The page title is "My Grades". Below the title, there is a section for "CALCULATED GRADES" with a sub-section for "Safari Average". A grade of "100.00%" is displayed. Below this, there is a section for "GRADED" items. One item, "Introduction Assignment", is highlighted with a red box. It shows a grade of "5.00/5" and a date of "Nov 19, 2013 2:06 PM". There are links for "Comments" and "Description" below the grade.

# STUDENT TUTORIAL: ASSIGNMENTS VIEW GRADE AND FEEDBACK

- To open a graded assignment, click on the link to the assignment from the **My Grades** list.

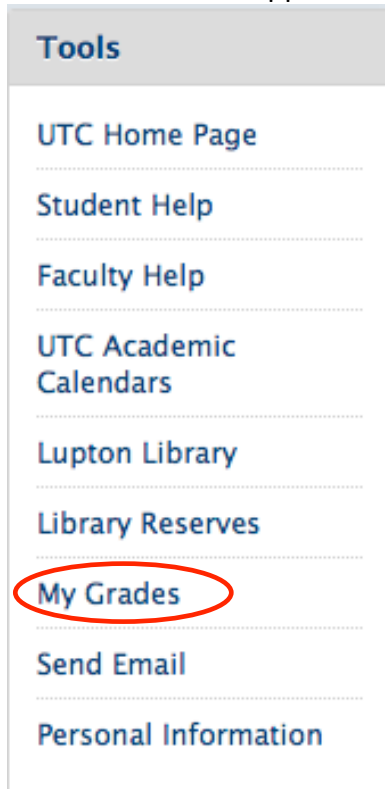

- This will take you to the **Submission History** for the assignment where you may view your grade and instructor's comments for the assignment. You can also download the file you submitted for assignment by clicking on the **Download** link.

AND FEEDBACK

6. Another way to access a submitted assignment is by accessing **My Grades** from the Tools menu on the upper left hand side of the main page on Blackboard.

7. Choose your respective course and this will take you to the **My Grades** menu where you can access submitted assignments using the same methods as above.
