Experience

HEAD, COLLECTION SERVICES, ASSISTANT PROFESSOR — JULY 2015-PRESENT

University of Tennessee at Chattanooga, Chattanooga, Tennessee

Under direction of the Library Dean, manage all aspects of the collection life cycle for both physical and electronic resources. This includes, but is not limited to, selection, acquisitions, licensing, cataloging, and preservation. Engage in collaborative and innovative collection building activities. In particular, work closely with UT System, Tenn-Share, and TBR on consortial purchasing opportunities. Work collaboratively with library colleagues to assess the library collection, evaluate new resources and purchasing models, and make appropriate selections in support of the UTC curriculum and faculty research. With fellow administrators, evaluate, create, and manage a collection budget of close to 2 million dollars. This includes communicating with library liaisons to ensure proper spending, assessing and planning for changes in budget structure throughout the year, closing out fiscal year accounts, and assisting with reconciliation of collections expenditures with library and campus financial systems. Manage interlibrary loan, reserves, and scanning teams ensuring timely and efficient delivery of services to patrons and libraries. Work closely with the Assistant Director of Collection Services and Director of Special Collections on strategic planning and management associated with the physical and digital special collections. Supervise and provide fair and progressive leadership and management for the Collection Services Department staff including, 4 faculty members and 2 FTE personnel.

ASSISTANT HEAD, COLLECTION SERVICES, ASSISTANT PROFESSOR

TEAM LEAD FOR CORE PROCESSING AND INTERLIBRARY LOAN — JANUARY 2014-JUNE 2015

University of Tennessee at Chattanooga, Chattanooga, Tennessee

Under direction of the Head of Collection Services and the Library Dean, manage operations of the Core Processing and Interlibrary Loan Teams and serve as a member of the Special Collections Team. Duties include administration of library and departmental policies and procedures, coordination of projects related to collections, stacks

maintenance, interlibrary loan, electronic resources, special collections and reserves. Assist Department Head on material negotiations and licensing. Represent department on various library committees. Supervise 3 FTE staff members and 3 faculty members. Participate in library management council and serve as a member of the library management team, which is responsible for policy and budgetary decisions. Provide reference and information services for one hour per week. Perform collection development and liaison duties for the UTC English Department. Serve on library, university, and professional committees.

DIGITAL INTEGRATION LIBRARIAN, ASSISTANT PROFESSOR — DECEMBER 2011-DECEMBER 2013

University of Tennessee at Chattanooga, Chattanooga, Tennessee

Responsible for all aspects related to the digital environment at UTC Lupton Library, including customization of e-resource interfaces, maintenance and administration of Lib Guides, Website development, usability testing, technical and end-user support, EZProxy administration, promotion of e-resources, end-user and librarian training, link resolver software administration, OCLC WMS and WorldCat Local administration, assist and advise library faculty on selection, trialing, and procurement of new library systems, and assist in statistics gathering. Assist in planning for and management of institutional repository software, BePress, for ETD's and campus journal publishing. Manage and lead projects within the Materials Processing Department as they relate to the collection, e-resources, and reserves. Manage reserve and scanning functionalities, including policy and workflow creation. Supervise E-resources and Serials Librarian and Materials Processing Librarian. Other library duties include serving as a library liaison to the UTC English Department, serving on library committees, and reference desk rotation. Serve as the library liaison to the *Journal of Adolescent and Family Health*; providing technical and publishing support.

GALILEO SUPPORT AND ELECTRONIC RESOURCES LEAD ANALYST — OCTOBER 2002—DECEMBER 2011

Board of Regents of the University System of Georgia, Athens, Georgia

Manage online e-resources for 400 plus institutions affiliated with GALILEO, the state Georgia's virtual library, including account management, remote access configuration, and interface customization. Integrate e-resources into GALILEO portal, SFX link resolver, and WebFeat, MetaLib, and 360 Search federated search tools. Assist library staff with integration into library websites, campus portals, course management systems, and discovery tools. Maintain EZproxy database configurations and other custom URL and script configurations for seamless remote access. Assist in creation of statistical reports pertaining to e-resources and GALILEO support. Serve as lead support contact coordinating support efforts, troubleshooting access problems, documenting support processes and workflows, and overseeing customer satisfaction surveys. Participate in GALILEO and USG committees and project teams. Manage e-resource components of GALILEO technical projects. Present at national and state conferences. Provide in-person and online training for library staff.

ASSISTANT LIBRARIAN —AUGUST 2000-AUGUST 2002

Fort Sanders Regional Medical Center Library, Knoxville, Tennessee

Checked in and claimed library serials and monographs Processed incoming and outgoing interlibrary loans. Managed user accounts: circulation, and overdue billing. Provided reference assistance to hospital staff and nursing students. Assisted in weeding and maintenance of print collection. Assisted in monthly reporting.

WEEKEND LIBRARY SUPERVISOR —AUGUST 2001-AUGUST 2002

University of Tennessee Agriculture and Veterinary Medicine Library, Knoxville, Tennessee

Supervised student employees. Assisted in creation and maintenance of online subject guides. Assisted library director in Great Smoky Mountains Bibliography project. Assisted in interlibrary loan. Provided reference assistance to students, faculty, and staff. Assisted in troubleshooting desktop and printer problems. Circulated library materials. Assisted patrons in the use of online library resources, microfiche/microfilm, and other resources.

Skills

Advanced knowledge of management of e-resources including, remote access, end-user support, vendor relations, vendor contract and licensing negotiations, and account management. Project management, policy and workflow creation, and documentation. Advanced knowledge of administrative interfaces and customization tools from the following vendors: OCLC WMS, Ex Libris, EBSCO, ProQuest, and SerialSolutions. Working knowledge of library technologies including OpenURL, federated searching, ERM, and EZproxy. Proficient in Microsoft desktop applications including, Excel, Word, and Powerpoint. Proficient in MAC and Windows OS. Working knowledge of html, wiki, RSS, blogging and other web 2.0 technologies. Vast experience with customer relationship management and call tracking tools. Skilled at in-person and online training, written communication, and working in a team environment.
